**INSTRUCTIONS**

**PLEASE NOTE:**

1. All persons wishing to be authorised to be a controller of an investment business licensee or seeking to increase or decrease their level of control must receive prior CBB authorisation.
2. A controller of a Bahraini investment firm licensee is defined in Paragraph GR-5.2.1 as a natural or legal person who, either alone or with his associates:
  - (a) Holds 10% or more of the issued and paid up capital in the licensee or the parent undertaking; or
  - (b) Is able to exercise more than 10% of the voting power over the licensee or the parent undertaking.
- 2A. Where the direct controller of a Bahraini investment firm licensee is not the ultimate parent undertaking of the licensee, the CBB will require that Form 2 be completed by the ultimate parent undertaking and that the details be provided of the structure of the group, clearly detailing the relationship between the licensee and the ultimate parent undertaking (e.g. by providing an organisational structure of the group).
- 2B. For overseas investment firm licensees, the direct parent undertaking is deemed to be the controller and must submit Form 2.
3. This application form should be completed by referring to Volume 4 (Investment Business) of the CBB Rulebook, in particular Module GR (General Requirements). The rules applicable to controllers are found in Chapter GR-5.
- 3A. Applicants should satisfy themselves that they meet the requirements of the Rulebook before submitting an application. This form contains the principal elements that are required, but should applicants consider that there is additional evidence of relevance to the application, this should be submitted with this form. It should not be assumed that information is known to the CBB merely because it is in the public domain or has previously been disclosed to the CBB or another regulatory body. If there is any doubt about the relevance of information, it should be disclosed.
4. Complete all sections as fully as possible, attaching supporting documentation and continuation sheets where appropriate. The application should be written in ink in BLOCK CAPITALS or typed.
5. Failure to provide all the required information may result in significant delays in processing. The CBB does not accept responsibility for any loss caused to the applicant by any delay.
6. All documentation provided to the CBB must be in either the Arabic or English languages. Any documentation in a language other than English or Arabic must be accompanied by a certified English or Arabic translation thereof.
7. If any question is not applicable given your particular circumstances, please clearly indicate by marking 'N/A', with an explanation as to why it does not apply. Please provide a full explanation for any question that cannot be answered at this stage. Please note that failure to provide the required information may prejudice an application and will cause delay.
