Dear Sir,

CBB Rulebook: Volume 1 – January 2010 Quarterly Update

The latest quarterly update to Volume 1 has now been incorporated in the website version of the Rulebook.¹ At present, only the PDF files have been fully updated. The HTML versions are gradually coming online.

Recipients should update their hard copy folders through accessing the CBB website and print off the relevant pages from the PDF files for insertion into their folder. This cover letter highlights the main changes introduced this quarter. The table attached to this letter lists which pages to print off.

Module Contents Pages

As usual, the Table of Contents pages for each Module contained in Part A of Volume 1 have been updated. They now show their current issue date at the bottom right hand corner of the page: i.e. January 2010. The revised Modules are effective from the date of this letter.

Contents pages also show the current issue date for every section of a Module. Where a section has been modified as part of this update, then its issue date will also have been changed to January 2010. These contents pages therefore act as a summary checklist for Rulebook users.

¹ Volume 1 can be accessed, as usual, from www.cbb.gov.bh
(Home > Regulatory Functions > Laws & Regulations > CBB Rulebook > Volume 1)

Module GR

Revised approval threshold for controllers which are financial institutions (to align with the Controllers Regulation No. (31)).

Module CM

Revised reference for Large Exposures reporting (to correct typographical error).

Further information

Should you have any queries regarding these updates, you may contact the CBB Rulebook team (at rulebook@cbb.gov.bh), or else please speak to your normal supervisory contact.

Yours faithfully,

Khalid Hamad

Enc.
