## **AA-A.1 Purpose**

### *Executive Summary*

AA-A.1.1 This Module presents requirements that have to be met by insurance licensees with respect to the appointment of external auditors and actuaries (the requirement for actuaries is only applicable to insurance firms). This Module also sets out certain obligations that external auditors and actuaries have to comply with, by virtue of their appointment by insurance licensees.

AA-A.1.2 This Module is issued under the powers given to the Central Bank of Bahrain (‘the CBB’) under Decree No. (64) of 2006 with respect to promulgating the Central Bank of Bahrain and Financial Institutions Law 2006 (‘CBB Law’). It supplements Article 61 of the CBB Law, which requires licensees to appoint an external auditor acceptable to the CBB and Articles 72 to 74 dealing with actuaries.

### *Legal Basis*

**AA-A.1.3** This Module contains the CBB’s Directive **(as amended from time to time)** relating to auditors and actuaries and is issued under the powers available to the CBB under Article 38 of the CBB Law. The Directive in this Module is applicable to insurance licensees.

AA-A.1.4 For an explanation of the CBB’s rule-making powers and different regulatory instruments, see Section UG-1.1.

## AA-A.2 Module History

AA-A.2.1 This Module was first issued in April 2005 by the BMA, together with the rest of Volume 3 (Insurance). Any material changes that have subsequently been made to this Module are annotated with the calendar quarter date in which the change was made: Chapter UG-3 provides further details on Rulebook maintenance and version control.

AA-A.2.2 When the CBB replaced the BMA in September 2006, the provisions of this Module remained in force. Volume 3 was updated in January 2007 to reflect the switch to the CBB; however, new calendar quarter dates were only issued where the update necessitated changes to actual requirements.

AA-A.2.3 A list of recent changes made to this Module is detailed in the table below:

| Module Ref. | Change Date | Description of Changes                                                                                                                                                                                     |

**AA-B.1.1** The contents of this Module – unless otherwise stated – apply to all insurance licensees.

AA-B.1.2 The requirements relating to actuaries (Chapter AA-4), apply only to insurance firms, and differentiate between insurance firms undertaking long-term insurance and those undertaking general insurance.

## AA-B.2 Auditors and Actuaries

AA-B.2.1 Certain requirements in this Module extend to auditors and actuaries, by virtue of their appointment by insurance licensees. Auditors and actuaries appointed by insurance licensees must be independent (cf. Sections AA-1.4, AA-1.5 and Paragraphs AA-4.2.3 and AA-4.2.4). Auditors and actuaries who resign or are otherwise removed from office are required to inform the CBB in writing of the reasons for the termination of their appointment (cf. Paragraphs AA-1.2.3 and AA-4.2.8). Other requirements are contained in Sections AA-1.3 (Audit partner rotation) and AA-3.1 (Auditor reports).

| MODULE  | AA: Auditors and Actuaries |
| CHAPTER | AA-1: Auditor Requirements |

## AA-1.1 Appointment of Auditor

**AA-1.1.1** In accordance with Article 61(a) of the CBB Law, insurance licensees must obtain prior written approval from the CBB before appointing or re-appointing their auditor.

AA-1.1.2 As the appointment of the auditor normally takes place during the course of the firm's annual general meeting, insurance licensees should notify the CBB of the proposed agenda for the annual general meeting in advance of it being circulated to shareholders. The CBB's approval of the proposed auditor does not limit in any way shareholders' rights to subsequently reject the Board's choice.

AA-1.1.3 The CBB, in considering the proposed (re-)appointment of an auditor, takes into account the expertise, resources and reputation of the audit firm, relative to the size and complexity of the licensee. The CBB will also take into account the track record of the audit firm in auditing insurance licensees within Bahrain; the degree to which it has generally demonstrated independence from management in its audits; and the extent to which it has identified and alerted relevant persons of significant matters.

AA-1.1.4 In the case of overseas insurance licensees, the CBB will also take into account who acts as the auditor of the parent firm. As a general rule, the CBB does not favour different parts of an insurance group having different auditors.

## AA-1.2 Removal or Resignation of Auditor

**AA-1.2.1** Insurance licensees must notify the CBB as soon as they intend to remove their auditor, with an explanation of their decision, or as soon as their auditor resigns.

**AA-1.2.2** Insurance licensees must ensure that a replacement auditor is appointed (subject to CBB approval as per Section AA-1.1), as soon as reasonably practicable after a vacancy occurs, but no later than three months.

**AA-1.2.3** In accordance with the powers granted to the CBB under Article 63 of the CBB Law, auditors of insurance licensees must inform the CBB in writing, should they resign or their appointment as auditor be terminated, within 30 calendar days of the event occurring, setting out the reasons for the resignation or removal.

### AA-1.3 Audit Partner Rotation

#### AA-1.3.1

Unless otherwise exempted by the CBB, insurance licensees must ensure that the audit partner responsible for their audit does not undertake that function more than five years in succession.

##### AA-1.3.1A

For purposes of Paragraph AA-1.3.1, the first five-year period referred to is for the period ending 31 December 2010 (Refer to Paragraph ES-2.4.3). Therefore, unless there has been a change in the partner appointed since the Rulebook was issued in May 2005, or if a company has been licensed since the Rulebook has been issued, insurance licensees will need to have a new partner responsible for the audit engagement for the year 2011

#### AA-1.3.2

Insurance licensees must notify the CBB of any change in audit partner.

## AA-1.4 Auditor Independence

- AA-1.4.1** Article 61(d) of the CBB Law imposes conditions in order for the auditor to be considered independent. Before an insurance licensee appoints an auditor, it must take reasonable steps to ensure that the auditor has the required skill, resources and experience to carry out the audit properly, and is independent of the licensee.
- AA-1.4.2** For an auditor to be considered independent, it must, among things, comply with the restrictions in Section AA-1.5.
- AA-1.4.3** If an insurance licensee becomes aware at any time that its auditor is not independent, it must take reasonable steps to remedy the matter and notify the CBB of the fact.
- AA-1.4.4** If in the opinion of the CBB, independence has not been achieved within a reasonable timeframe, then the CBB may require the appointment of a new auditor.

## **AA-1.5 Licensee/Auditor Restrictions**

### *Financial Transactions with Auditors*

#### **AA-1.5.1**

Insurance licensees must not provide regulated insurance services to their auditors, including entering into any contracts of professional indemnity insurance with their auditors.

### *Outsourcing to Auditors*

AA-1.5.2 Paragraph RM-7.6.2 generally prohibits insurance licensees from outsourcing their internal audit function to the same firm that acts as their external auditors. However, the CBB may allow short-term outsourcing of internal audit operations to an insurance licensee's external auditor, to meet unexpected urgent or short-term needs (for instance, on account of staff resignation or illness). Any such arrangement will normally be limited to a maximum period of one year and is subject to CBB prior approval.

### *Other Relationships*

#### **AA-1.5.3**

Insurance licensees and their auditors must comply with the restrictions contained in Article 217 (c) of the Commercial Companies Law (Legislative Decree No. (21) of 2001), as well as in Article 61(d) of the CBB Law.

AA-1.5.4 Article 217(c) prohibits an auditor from (i) being the chairman or a member of the Board of Directors of the company he/she audits; (ii) holding any managerial position in the company he/she audits; and (iii) acquiring any shares in the company he/she audits, or selling any such shares he/she may already own, during the period of his audit. Furthermore, the auditor must not be a relative (up to the second degree) of a person assuming management or accounting duties in the company.

AA-1.5.5 Article 61 (d) prohibits an auditor from (i) being the chairman or a member of the Board of Directors of the company he/she audits; (ii) holding any managerial position in the company he/she audits; and (iii) acquiring any shares in the company he/she audits, or selling any such shares he/she may already own, during the period of his audit. Furthermore, the auditor must not be a relative (up to the second degree) of a person assuming management or accounting duties in the company.

AA-1.5.6 The restriction in Paragraph AA-1.5.3 applies to overseas insurance licensees as well as Bahraini insurance licensees.

## AA-1.5 Licensee/Auditor Restrictions (continued)

### *Other Relationships (continued)*

#### AA-1.5.7

A partner, Director or manager on the engagement team of auditing an insurance licensee may not serve on the Board or in a controlled function of the licensee, for two years following the end of their involvement in the audit, without prior authorisation of the CBB.

#### AA-1.5.8

Chapter AU-1.2 sets out the CBB's 'controlled functions' requirements.

### *Definition of 'Auditor'*

#### AA-1.5.9

For the purposes of Section AA-1.5, 'auditor' means the partners, Directors and managers on the engagement team responsible for the audit of the insurance licensee.

## AA-2.1 CBB Access to Auditors

### AA-2.1.1

Insurance licensees must waive any duty of confidentiality on the part of their auditor, such that their auditor may report to the CBB any concerns held regarding material failures by the insurance licensee to comply with CBB requirements.

### AA-2.1.2

The CBB may, as part of its on-going supervision of insurance licensees, request meetings with a licensee's auditor. If necessary, the CBB may direct that the meeting be held without the presence of the licensee's management or Directors.

## AA-2.2 Auditor Access to Outsourcing Providers

AA-2.2.1 Paragraph RM-7.4.12 on outsourcing agreements between insurance licensees and outsourcing providers requires licensees to ensure that their internal and external auditors have timely access to any relevant information they may require to fulfil their responsibilities. Such access must allow them to conduct on-site examinations of the outsourcing provider, if required.

#### AA-2.3.2

The CBB may, as part of its on-going supervision of insurance licensees, request meetings with a licensee's Registered Actuary/Signing Actuary. If necessary, the CBB may direct that the meeting be held without the presence of the licensee's management or Directors.

## AA-3.1 Review of Annual Returns

### AA-3.1.1

Insurance licensees must arrange for their auditor to review the licensee's annual return to the CBB. The auditor must complete the prescribed form, Agreed Upon Procedures (refer to Part B, Supplementary Information Appendices BR(i) and (ii)) attesting to his/her review, which must be submitted to the CBB by the insurance licensee within four months of the financial year end of the insurance licensee.

### AA-3.1.2

Insurance firms are required to submit an Insurance Firm Return (Form IFR). Insurance intermediaries and insurance managers are required to submit the Insurance Intermediary and Manager Return (Form IMR).
