Dear Sir,

**Amendment to the Regulatory Sandbox Framework**

With reference to CBB's earlier circular, (EDBS/KH/C/26/2017), dated 28<sup>th</sup> May 2017, and with the aim of embracing new technological ideas, the CBB would like to announce an amendment to the "Regulatory Sandbox Framework".

Such amendment would allow both existing solutions that have already been technically tested in a lab environment, as well as ideas yet to be developed and tested in the Regulatory Sandbox.

The amendment to the Regulatory Sandbox Framework shall be available on the CBB website under Home>>Regulatory Function section in due course.

Yours faithfully

  
**Khalid Hamad**
