Dear Sir,

Additional COVID-19 Precautionary Measures

Following the introduction of additional COVID-19 precautionary measures by the Government of the Kingdom of Bahrain, CBB hereby requires all licensees to follow the guidelines set out below with immediate effect:

- Working from home approach must be implemented, as extensively as possible;
- The number of employees working at various offices/branches must be reduced as much as possible, and the employees working from offices must ensure adherence to health and safety guidelines issued recently by CBB as well as social distancing measures; and
- The number of employees using corporate means of transportation, such as company buses, must be reduced.

Yours sincerely,

Rasheed M. Al-Maraj
Governor
