

OG/147/2022 31st March 2022

Chief Executive Officer

All Licensees Manama Kingdom of Bahrain

Dear Sir/Madam,

<u>Subject: Replacement of the Traditional Hard-Copy Residency Permits with Digital</u> Residency Permits

In line with the electronic services provided in most government entities and the private sector in the Kingdom of Bahrain, the Nationality, Passports & Residence Affairs (NPRA) has cancelled the traditional hard-copy residency permits and replaced them with digital residency permits with a QR that can be verified. This service is available through the e-government portal website www.bahrain.bh as of 28th March 2022 (see attached examples).

The existing traditional hard-copy residency permits issued prior to 28th March 2022 will remain valid until their expiry dates and will also be available in digital format at www.bahrain.bh.

In the future, all residency permits will be in a digital form viewed online via www.bahrain.bh.

Licensees are required to take note of the above changes and take the necessary steps in this regard.

Yours faithfully,

Rasheed M. Al-Maraj
