## PB-A.1 Purpose

Section PB-A.1: Page 1 of 1

#### Executive Summary

PB-A.1.1 The Principles of Business are a general statement of the fundamental obligations of all Central Bank of Bahrain ('CBB') conventional bank licensees and approved persons. They serve as a basis for other material in Volume 1 (Conventional Banks), and help address specific circumstances not covered elsewhere in the Rulebook.

PB-A.1.2 The Principles of Business have the status of Rules and apply alongside other Rules contained in Volume 1 (Conventional Banks). However, these other Rules do not exhaust the fundamental obligations contained in the Principles. Compliance with all other Rules, therefore, does not necessarily guarantee compliance with the Principles of Business.

#### Legal Basis

This Module contains the CBB's Directive (as amended from time to time) relating to Principles of Business and is issued under the powers available to the CBB under Article 38 of the Central Bank of Bahrain and Financial Institutions Law 2006 ('CBB Law'). The Directive in this Module is applicable to all conventional bank licensees (including their approved persons).

PB-A.1.4 For an explanation of the CBB's rule-making powers and different regulatory instruments, see Section UG-1.1.

## PB-A.2 Module History

- PB-A.2.1 This Module was first issued in July 2004 by the BMA as part of the conventional principles volume. All regulations in this volume have been effective since this date. Any material changes that have subsequently been made to this Module are annotated with the calendar quarter date in which the change was made; Chapter UG-3 provides further details on Rulebook maintenance and version control.
- PB-A.2.2 When the CBB replaced the BMA in September 2006, the provisions of this Module remained in force. Volume 1 was updated in October 2007 to reflect the switch to the CBB; however, new calendar quarter dates were only issued where the update necessitated changes to actual requirements.
- PB-A.2.3 A list of recent changes made to this Module is provided below:

Module Ref.	Change Date	Description of Changes

# PB-B.1 Scope of Application

PB-B.1.1 The 10 Principles of

The 10 Principles of Business apply to all CBB <u>conventional bank</u> <u>licensees</u>, in accordance with Paragraph PB-B.1.2. Principles 1-8 also apply to all <u>approved persons</u>, in accordance with Paragraph PB-B.1.3.

PB-B.1.2 Principles 1 to 10 apply to activities carried out by the conventional bank licensee, including activities carried out through overseas branches (if any). Principles 9 and 10 also take into account any activities of other members of the group of which the conventional bank licensee is a member.

PB-B.1.3 Principles 1 to 8 apply to <u>approved persons</u> in respect of the <u>controlled function</u> for which they have been approved.

PB-B.1.4 Principles 1 to 8 do not apply to behaviour by an <u>approved person</u> with respect to any other functions or activities they may undertake. However, behaviour unconnected to their <u>controlled function</u> duties may nonetheless be relevant to an assessment of that person's fitness and propriety.

PB-B.1.5 The CBB's requirements regarding <u>approved persons</u> and <u>controlled functions</u> are located in Module LR (Licensing Requirements).

## PB-B.2 Non-compliance

PB-B.2.1 Breaching a Principle of Business makes the <u>conventional bank licensee</u> or <u>approved person</u> concerned liable to enforcement action. In the case of a licensee, this may call into question whether they continue to meet the licensing conditions (see Chapter LR-2). In the case of an <u>approved person</u>, this may call into question whether they continue to meet the 'fit and proper' requirements for the function for which they have been approved (see Chapter HC 2.2).

PB-B.2.2 Module EN (Enforcement) sets out the CBB's policy and procedures on enforcement action.
