In order to maintain an up-to-date record of authorised signatories of respective banks, the CBB requires all banks to submit to it a list of specimen signatures (and changes to it from time to time) of the officials authorised to sign on behalf of the concerned bank.

UN SCR 1373 (2001)

BR-5.1.12

The CBB requires all banks to notify it immediately of any act that might contravene the provisions of UN Security Council Resolution 1373 (2001). Banks should refer to Chapter FC-8 for full details of this requirement.

Notification of Fraud or other Material Concerns

BR-5.1.13

All banks must report immediately to the CBB any frauds, either attempted or realised, or any well-founded concerns about the integrity of individual Directors or members of management. This obligation to disclose extends to individual Board members and members of management: i.e. if a Director or member of management has reasonable grounds to believe that information that should have been reported to the CBB has not, then they have a duty to report the matter personally to the CBB. All such cases shall be treated in the strictest confidence by the CBB.

BR-5.1.14

All banks must report immediately to the CBB any material losses as soon as the bank becomes aware of them. This notification requirement is separate from notifications for loan write-offs (see BR 5.2.3) or frauds (see above), but refers to losses caused by external events (e.g. falls in stock markets) or internal control failures. In this context 'material' would mean: a loss which exceeds 5% of net earnings in a given quarter; or a loss which reduces the bank's capital adequacy by more than 1%; or a loss which reduces total assets by more than 1%.

Material Transfers of Assets or Liabilities

All banks (or Bahrain-based branches of foreign banks) must seek prior written approval from the CBB before transferring assets or liabilities of a material nature to a third party, except where such transfers are effected within the normal scope of the bank's operations (see GR 4.1). In this context 'material' would mean: an amount which exceeds 5% of total assets or liabilities of the bank or branch concerned.
