MODULE	HC: High-Level Controls
CHAPTER	HC-A: Introduction

HC-A.1 Purpose

Executive Summary

- HC-A.1.1 This Module presents requirements that have to be met by Islamic bank licensees with respect to:
- (a) Corporate governance principles issued by the Ministry of Industry and Commerce as “The Corporate Governance Code”; and
 - (b) International best practice corporate governance standards set by bodies such as the Basel Committee for Banking Supervision; and
 - (c) Related high-level controls and policies.
- HC-A.1.2 The Principles referred to in this Module are in line with the Principles relating to the Corporate Governance Code issued by the Ministry of Industry and Commerce.
- HC-A.1.3 The purpose of the Module is to establish best practice corporate principles in Bahrain, and to provide protection for investors and other Islamic bank licensee’s stakeholders through compliance with those principles.
- HC-A.1.4 Whilst the Module follows best practice, it is nevertheless considered as the minimum standard to be applied. This Module also includes additional rules and guidance issued by the CBB prior to the publication of the Code and previously contained in Module HC.

Structure of this Module

- HC-A.1.5 This Module follows the structure of the Corporate Governance Code and each Chapter deals with one of the nine Principles of corporate governance. The numbered directives included in the Code are Rules for purposes of this Module. Recommendations under the Code have been included as guidance. However, where the previous version of Module HC had a similar recommendation as a Rule, the Module retains this Paragraph as a Rule.
- HC-A.1.6 The Module also incorporates other high-level controls and policies that apply in particular to Islamic bank licensees.
- HC-A.1.7 All references in this Module to ‘he’ or ‘his’ shall, unless the context otherwise requires, be construed as also being references to ‘she’ and ‘her’.

CHAPTER	HC-A: Introduction

HC-A.1 Purpose (continued)

The Comply or Explain Principle

HC-A.1.8

This Module is issued as a Directive (as amended from time to time) in accordance with Article 38 of the Central Bank of Bahrain and Financial Institutions Law 2006 ('CBB Law'). In common with other Rulebook Modules, this Module contains a mixture of Rules and Guidance (See Module UG-1.2 for detailed explanation of Rules and Guidance). All Rulebook content that is categorised as a Rule must be complied with by those to whom the content is addressed. Other parts of this Module are Guidance; nonetheless every Islamic bank licensee to whom Module HC applies, is expected to comply with recommendations made as Guidance in Module HC or explain its noncompliance by way of an annual report to its shareholders and to the CBB (see Chapter HC-8).

Monitoring and Enforcement of Module HC

HC-A.1.9 Disclosure and transparency are underlying principles of Module HC. Disclosure is crucial to allow outside monitoring to function effectively. This Module looks to a combined monitoring system relying on the Board, the Islamic bank licensee's shareholders and the CBB.

HC-A.1.10 It is the Board's responsibility to see to the accuracy and completeness of the Islamic bank licensee's corporate governance guidelines and compliance with Module HC. Failure to comply with this Module is subject to enforcement measures as outlined in Module EN (Enforcement).

Legal Basis

HC-A.1.11

This Module contains the CBB's Directive (as amended from time to time) relating to high-level controls and is issued under the powers available to the CBB under Article 38 of the Central Bank of Bahrain and Financial Institutions Law 2006 ('CBB Law'). The Directive in this Module is applicable to Islamic bank licensees (including their approved persons).

HC-A.1.12 For an explanation of the CBB's rule-making powers and different regulatory instruments, see Section UG-1.1.

HC-A.1 Purpose (continued)

Effective Date

- HC-A.1.13 The previous version of Module HC is applicable until 31st December 2010. This updated Module issued in October 2010, is effective on 1st January 2011. All Islamic bank licensees to which Module HC applies should be in full compliance by the financial year end 2011. At every Islamic bank licensee's annual shareholder meeting held after 1st January 2011, corporate governance should be an item on the agenda for information and any questions from shareholders regarding the Islamic bank licensee's governance. Where possible, the Islamic bank licensee should also have corporate governance guidelines in place at that time and should have a “comply or explain” report as described in Paragraph HC-A.1.8.

HC-A.2 Module History

HC-A.2.1 This Module was first issued in June 2004 by the BMA and updated in October 2007 to reflect the switch to the CBB. Following the issuance of the Corporate Governance Code by the Ministry of Industry and Commerce in March 2010, the Module was amended in October 2010 to be in line with the new Corporate Governance Code and to include previous requirements that were in place in the originally issued Module HC. Any material changes that have subsequently been made to this Module are annotated with the calendar quarter date in which the change was made: Chapter UG-3 provides further details on Rulebook maintenance and version control.

MODULE	HC: High-Level Controls
CHAPTER	HC-B: Scope of Application

HC-B.1 Scope of Application

HC-B.1.1 The contents of this Module – unless otherwise stated – apply to all Islamic bank licensees, incorporated under the Legislative Decree No. 21 of 2001, with respect to promulgating the Commercial Companies Law ('Company Law').

HC-B.1.2 Overseas Islamic bank licensees must satisfy the CBB that equivalent arrangements are in place at the parent entity level, and that these arrangements provide for effective high-level controls over activities conducted under the Bahrain license.

MODULE	HC:	High-Level Controls
CHAPTER	HC-B:	Scope of Application

HC-B.2 Subsidiaries and Foreign Branches

HC-B.2.1 Bahraini Islamic bank licensees must ensure that, as a minimum, the same or equivalent provisions of this Module apply to their foreign branches, located outside the Kingdom of Bahrain, such that these are also subject to effective high-level controls. In instances where local jurisdictional requirements are more stringent than those applicable in this Module, the local requirements are to be applied.

HC-B.2.2 Bahraini Islamic bank licensees must satisfy the CBB that financial services activities conducted in subsidiaries and other group members are subject to the same or equivalent arrangements for ensuring effective **corporate governance** over their activities.

HC-B.2.3 Where an Islamic bank licensee is unable to satisfy the CBB that its subsidiaries and other group members are subject to the same or equivalent arrangements, the CBB will assess the potential impact of risks – both financial and reputational – to the licensee arising from inadequate high-level controls in the rest of the group of which it is a member. In such instances, the CBB may impose restrictions on dealings between the licensee and other group members. Where weaknesses in controls are assessed by the CBB to pose a major threat to the stability of the licensee, then its authorisation may be called into question.

MODULE	HC:	High-Level Controls
CHAPTER	HC-1:	The Board

HC-1.1 Principle

HC-1.1.1

All Bahraini Islamic bank licensees must be headed by an effective, collegial and informed Board of Directors ('the Board').

MODULE	HC: High-Level Controls
CHAPTER	HC-1: The Board

HC-1.2 Role and Responsibilities

HC-1.2.1

All directors must understand the Board's role and responsibilities under the Commercial Companies Law and any other laws or regulations that may govern their responsibilities from time to time. In particular:

- (a) The Board's role as distinct from the role of the shareholders (who elect the Board and whose interests the Board serves) and the role of officers (whom the Board appoints and oversees); and
- (b) The Board's fiduciary duties of care and loyalty to the Islamic bank licensee and the shareholders (see HC-2.1).

HC-1.2.2

The Board's role and responsibilities include but are not limited to:

- (a) The overall business performance and strategy for the Islamic bank licensee;
- (b) Causing financial statements to be prepared which accurately disclose the Islamic bank licensee's financial position;
- (c) Monitoring management performance;
- (d) Convening and preparing the agenda for shareholder meetings;
- (e) Monitoring conflicts of interest and preventing abusive related party transactions;
- (f) Assuring equitable treatment of shareholders including minority shareholders; and
- (g) Establishing the objectives of the bank.

HC-1.2.3

The precise functions reserved for the Board, and those delegated to management and committees will vary, dependent upon the business of the institution, its size and ownership structure. However, as a minimum, the Board must establish and maintain a statement of its responsibilities for:

- (a) The adoption and annual review of strategy;
- (b) The adoption and review of management structure and responsibilities;
- (c) The adoption and review of the systems and controls framework; and
- (d) Monitoring the implementation of strategy by management.

MODULE	HC: High-Level Controls
CHAPTER	HC-1: The Board

HC-1.2 Role and Responsibilities (continued)

HC-1.2.4 The directors are responsible both individually and collectively for performing the responsibilities outlined in HC-1.2.1 to HC-1.2.3. Although the Board may delegate certain functions to committees or management, it may not delegate its ultimate responsibility to ensure that an adequate, effective, comprehensive and transparent corporate governance framework is in place.

HC-1.2.5 In its strategy review process under Paragraphs HC-1.2.3 a) and d), the Board must:

- (a) Review the bank's business plans and the inherent level of risk in these plans;
- (b) Assess the adequacy of capital to support the business risks of the bank;
- (c) Set performance objectives; and
- (d) Oversee major capital expenditures, divestitures and acquisitions.

HC-1.2.6 Banks must notify the CBB in writing of all major proposed changes to the strategy and/or corporate plan of the bank prior to implementation.

HC-1.2.7 The Board is expected to have effective policies and processes in place for:

- (a) Approving budgets and reviewing performance against those budgets and key performance indicators; and
- (b) The management of the bank's compliance risk.

HC-1.2.8 When a new director is inducted, the chairman of the Board, or the Islamic bank licensee's legal counsel or compliance officer, or other individual delegated by the chairman of the board, should review the Board's role and duties with that person, particularly covering legal and regulatory requirements and Module HC (see also HC-4.5.1).

HC-1.2.9 The Islamic bank licensee must have a written appointment agreement with each director which recites the directors' powers, duties, responsibilities and accountabilities and other matters relating to his appointment including his term, the time commitment envisaged, the committee assignment if any, his remuneration and expense reimbursement entitlement, and his access to independent professional advice when that is needed.

MODULE	HC: High-Level Controls
CHAPTER	HC-1: The Board

HC-1.2 Role and Responsibilities (continued)

Risk Recognition and Assessment

HC-1.2.10

The Board is responsible for ensuring that the systems and controls framework, including the Board structure and organisational structure of the bank, is appropriate for the bank's business and associated risks (see HC-1.2.3 c). The Board must ensure that collectively it has sufficient expertise to identify, understand and measure the significant risks to which the bank is exposed in its business activities.

The Board must regularly assess the systems and controls framework of the bank. In its assessments, the Board must demonstrate to the CBB that:

- (a) The bank's operations, individually and collectively are measured, monitored and controlled by appropriate, effective and prudent risk management systems commensurate with the scope of the bank's activities;
- (b) The bank's operations are supported by an appropriate control environment. The compliance, risk management and financial reporting functions must be adequately resourced, independent of business lines and must be run by individuals not involved with the day-to-day running of the various business areas. The Board must additionally ensure that management develops, implements and oversees the effectiveness of comprehensive know your customer standards, as well as on-going monitoring of accounts and transactions, in keeping with the requirements of relevant law, regulations and best practice (with particular regard to anti-money laundering measures). The control environment must maintain necessary client confidentiality and ensure that the privacy of the bank is not violated, and ensure that clients' rights and assets are properly safeguarded; and
- (c) Where the Board has identified any significant issues related to the bank's adopted governance framework, appropriate and timely action is taken to address any identified adverse deviations from the requirements of this Module.

HC-1.2.11

The Board must adopt a formal Board charter or other statement specifying matters which are reserved to it, which should include but need not be limited to the specific requirements and responsibilities of directors. This charter must cover the points in HC-1.2.1 to HC-1.2.9. Wherever possible, the documents referred to in HC-1.2.3 to HC-1.2.9 or a summary of responsibilities should be disclosed publicly, for example in the annual report, which must be submitted to the CBB in line with the requirements of Module BR.

MODULE	HC: High-Level Controls
CHAPTER	HC-1: The Board

HC-1.3 Decision Making Process

HC-1.3.1 The Board must be collegial and deliberative, to gain the benefit of each individual director's judgment and experience.

HC-1.3.2 The chairman must take an active lead in promoting mutual trust, open discussion, constructive dissent and support for decisions after they have been made.

HC-1.3.3 The Board must meet frequently to enable it to discharge its responsibilities effectively but in no event less than four times a year. All directors must attend the meetings whenever possible and the directors must maintain informal communication between meetings.

HC-1.3.4 Individual Board members must attend at least 75% of all Board meetings in a given financial year to enable the Board to discharge its responsibilities effectively (see table below). Voting and attendance proxies for Board meetings are prohibited at all times.

Meetings per year	75% Attendance requirement
4	3
5	4
6	5
7	5
8	6
9	7
10	8

HC-1.3.5 The absence of Board members at Board and committee meetings must be noted in the meeting minutes. In addition, Board attendance percentage must be reported during any general assembly meeting when Board members stand for re-election (e.g. Board member XYZ attended 95% of scheduled meetings this year).

HC-1.3.6 In the event that a Board member has not attended at least 75% of Board meetings in any given financial year, the bank must immediately notify the CBB indicating which member has failed to satisfy this requirement, his level of attendance and any mitigating circumstances affecting his non-attendance. The CBB shall then consider the matter and determine whether disciplinary action, including disqualification of that Board member pursuant to Article 65 of the CBB Law, is appropriate. Unless there are exceptional circumstances, it is likely that the CBB will take disciplinary action.

MODULE	HC: High-Level Controls
CHAPTER	HC-1: The Board

HC-1.3 Decision Making Process (continued)

HC-1.3.7 To meet its obligations under Rule HC-1.3.3 above, the full Board should meet once every quarter to address the Board's responsibilities for management oversight and performance monitoring. Furthermore, Board rules should require members to step down if they are not actively participating in Board meetings. Board members are reminded that non attendance at Board meetings does not absolve them of their responsibilities as directors. It is important that each individual director should allocate adequate time and effort to discharge his responsibilities. All Directors are expected to contribute actively to the work of the Board in order to discharge their responsibilities and should make every effort to attend Board meetings where major issues are to be discussed. Banks are encouraged to amend their Articles of Association to provide for telephonic and videoconference meetings. Participation in Board meetings by means of video or telephone conferencing is regarded as attendance and may be recorded as such.

HC-1.3.8 All locally incorporated banks are required to submit, on an annual basis, as an attachment to the year-end quarterly PIR, a report recording the meetings during the year by their Board of Directors. For a sample report, refer to Appendix BR-6, under Part B/CBB Reporting Forms of Volume 2.

HC-1.3.9 The Chairman is responsible for the leadership of the Board, and for the efficient functioning of the Board. The chairman must ensure that all directors receive an agenda, minutes of prior meetings, and adequate background information in writing before each Board meeting and when necessary between meetings. Therefore it is vital that the Chairman commit sufficient time to perform his role effectively. All directors must receive the same Board information. At the same time, directors have a legal duty to inform themselves and they must ensure that they receive adequate and timely information and must study it carefully (See also HC-7 for other duties of the Chairman).

HC-1.3.10 The Board should have no more than 15 members, and should regularly review its size and composition to assure that it is small enough for efficient decision making yet large enough to have members who can contribute from different specialties and viewpoints. The Board should recommend changes in Board size to the shareholders when a needed change requires amendment of the Islamic bank licensee's Memorandum of Association.

MODULE	HC: High-Level Controls
CHAPTER	HC-1: The Board

HC-1.3 Decision Making Process (continued)

HC-1.3.11 Potential non-executive directors should be made aware of their duties before their nomination, particularly as to the time commitment required. The Nominating Committee should regularly review the time commitment required from each non-executive director and should require each non-executive director to inform the Committee before he accepts any Board appointments to another company.

HC-1.3.12

No Board member may have more than one Directorship of a Retail Bank or a Wholesale Bank. This means an effective cap of a maximum of two Directorships of **banks** inside Bahrain. Two Directorships of licensees within the same Category (e.g. 'Retail Bank') are not permitted. Banks may approach the CBB for exemption from this limit where the Directorships concern banks or financial institutions within the same group.

HC-1.3.13 One person should not hold more than three directorships in public companies in Bahrain with the provision that no conflict of interest may exist, and the Board should not propose the election or reelection of any director who does.

MODULE	HC:	High-Level Controls
CHAPTER	HC-1:	The Board

HC-1.4 Independence of Judgment

HC-1.4.1 Every director must bring independent judgment to bear in decision-making. No individual or group of directors must dominate the Board's decision-making and no one individual should have unfettered powers of decision.

HC-1.4.2 Executive directors must provide the Board with all relevant business and financial information within their cognizance, and must recognise that their role as a director is different from their role as a member of management (see HC-2.3.2).

HC-1.4.3 Non-executive directors must be fully independent of management and must constructively scrutinise and challenge management including the management performance of executive directors.

HC-1.4.4 Where there is the potential for conflict of interest, or there is a need for impartiality, the Board must assign a sufficient number of independent Board members capable of exercising independent judgement. At a minimum, all locally incorporated banks must appoint one independent director.

HC-1.4.5 At least half of an Islamic bank licensee's Board should be non-executive directors and at least three of those persons should be independent directors. (Note the exception for controlled companies in Paragraph HC-1.5.2.)

HC-1.4.6 The chairman of the Board should be an independent director, so that there will be an appropriate balance of power and greater capacity of the Board for independent decision making.

HC-1.4.7 The Chairman and/or Deputy Chairman must not be the same person as the Chief Executive Officer.

HC-1.4.8 The Chairman must not be an Executive Director.

MODULE	HC: High-Level Controls
CHAPTER	HC-1: The Board

HC-1.4 Independence of Judgment (continued)

HC-1.4.9 The Board should review the independence of each director at least annually in light of interests disclosed by them, and their conduct. Each independent director shall provide the Board with all necessary and updated information for this purpose.

HC-1.4.10 To facilitate free and open communication among independent directors, each Board meeting should be preceded or followed with a session at which only independent directors are present, except as may otherwise be determined by the independent directors themselves.

MODULE	HC:	High-Level Controls
CHAPTER	HC-1:	The Board

HC-1.5 Representation of all Shareholders

HC-1.5.1

Each director must consider himself as representing all shareholders and must act accordingly. The Board must avoid having representatives of specific groups or interests within its membership and must not allow itself to become a battleground of vested interests. If the Islamic bank licensee has controllers (as defined by Module GR-5.2) (or a group of controllers acting in concert), the latter must recognise its or their specific responsibility to the other shareholders, which is direct and is separate from that of the Board of directors.

HC-1.5.2

In Islamic bank licensees with a controller, at least one-third of the Board must be independent directors. Minority shareholders must generally look to independent directors' diligent regard for their interests, in preference to seeking specific representation on the Board.

HC-1.5.3

In Islamic bank licensees with controllers, both controllers and other shareholders should be aware of controllers' specific responsibilities regarding their duty of loyalty to the Islamic bank licensee and conflicts of interest (see Chapter HC-2) and also of rights that minority shareholders may have to elect specific directors under the Company Law or if the Islamic bank licensee has adopted cumulative voting for directors. The chairman of the board or other individual delegated by the chairman of the board should take the lead in explaining this with the help of the Islamic bank licensee's lawyers.

MODULE	HC:	High-Level Controls
CHAPTER	HC-1:	The Board

HC-1.6 Directors' Access to Independent Advice

HC-1.6.1

The Board must ensure by way of formal procedures that individual directors have access to independent legal or other professional advice at the Islamic bank licensee's expense whenever they judge this necessary to discharge their responsibilities as directors and this must be in accordance with the Islamic bank licensee's policy approved by the Board.

HC-1.6.2

Individual directors must also have access to the Islamic bank licensee's corporate secretary, who must have responsibility for reporting to the Board on Board procedures. Both the appointment and removal of the corporate secretary must be a matter for the Board as a whole, not for the CEO or any other officer.

HC-1.6.3

Whenever a director has serious concerns which cannot be resolved concerning the running of the Islamic bank licensee or a proposed action, he should consider seeking independent advice and should ensure that the concerns are recorded in the Board minutes and that any dissent from a Board action is noted or delivered in writing.

HC-1.6.4

Upon resignation, a non-executive director should provide a written statement to the chairman, for circulation to the Board, if he has any concerns such as those in Paragraph HC-1.6.3.

MODULE	HC: High-Level Controls
CHAPTER	HC-1: The Board

HC-1.7 Directors' Communication with Management

HC-1.7.1

The Board must encourage participation by management regarding matters the Board is considering, and also by management members who by reason of responsibilities or succession, the CEO believes should have exposure to the directors.

HC-1.7.2

Non-executive directors should have free access to the Islamic bank licensee's management beyond that provided in Board meetings. Such access should be through the Chairman of the Audit Committee or CEO. The Board should make this policy known to management to alleviate any management concerns about a director's authority in this regard.

MODULE	HC: High-Level Controls
CHAPTER	HC-1: The Board

HC-1.8 Committees of the Board

- HC-1.8.1** The Board must create specialised committees when and as such committees are needed. In addition to the Audit, Remuneration and Nominating Committees and Shari’a Supervisory Board described elsewhere in this Module, these may include an Executive Committee to review and make recommendations to the whole Board on the bank’s actions, or a Risk Committee to identify and minimize specific risks of the Islamic bank licensee’s business.
- HC-1.8.2 The Board **should** establish a corporate governance committee of at least three independent members which **should** be responsible for developing and recommending changes from time to time in the Islamic bank licensee’s corporate governance policy framework.
- HC-1.8.3** The Board or a committee may invite non-directors to participate in, but not vote at, a committee’s meetings so that the committee may gain the benefit of their advice and expertise in financial or other areas.
- HC-1.8.4** Committees must act only within their mandates and therefore the Board must not allow any committee to dominate or effectively replace the whole Board in its decision-making responsibility.
- HC-1.8.5** Committees may be combined provided that no conflict of interest might arise between the duties of such committees, subject to CBB prior approval.
- HC-1.8.6** Every committee must have a formal written charter similar in form to the model charters which are set forth in Appendices A, B and C of this Module for the Audit, Nominating and Remuneration Committees.
- HC-1.8.7 Where committees are set up, they should keep full minutes of their activities and meet regularly to fulfil their mandates. For larger banks that deal with the general public, committees can be a more efficient mechanism to assist the main Board in its monitoring and control of the activities of the bank. The establishment of committees should not mean that the role of the Board is diminished, or that the Board becomes fragmented.

MODULE	HC: High-Level Controls
CHAPTER	HC-1: The Board

HC-1.9 Evaluation of the Board and Each Committee

HC-1.9.1 At least annually the Board must conduct an evaluation of its performance and the performance of each committee and each individual **director**.

HC-1.9.2 The evaluation process must include:

- (a) Assessing how the Board operates, especially in light of Chapter HC-1;
- (b) Evaluating the performance of each committee in light of its specific purposes and responsibilities, which shall include review of the self-evaluations undertaken by each committee;
- (c) Reviewing each director's work, his attendance at Board and committee meetings, and his constructive involvement in discussions and decision making;
- (d) Reviewing the Board's current composition against its desired composition with a view toward maintaining an appropriate balance of skills and experience and a view toward planned and progressive refreshing of the Board; and
- (e) Recommendations for new Directors to replace long-standing members or those members whose contribution to the bank or its committees (such as the audit committee) is not adequate.

HC-1.9.3 While the evaluation is a responsibility of the entire Board, it should be organised and assisted by an internal Board committee and, when appropriate, with the help of external experts.

HC-1.9.4 The Board should report to the shareholders, at each annual shareholder meeting, that evaluations have been done and report its findings.

MODULE	HC:	High-Level Controls
CHAPTER	HC-2:	Approved Persons Loyalty

HC-2.1 Principle

HC-2.1.1 The approved persons must have full loyalty to the Islamic bank licensee.

MODULE	HC: High-Level Controls
CHAPTER	HC-2: Approved Persons Loyalty

HC-2.2 Personal Accountability

HC-2.2.1 Banks are subject to a wide variety of laws, regulations and codes of best practice that directly affect the conduct of business. Such laws involve the Bahraini Stock Exchange Law, the Labour Law, the Commercial Companies Law, occupational health and safety, even environment and pollution laws, as well as the Law, codes of conduct and regulations of the Central Bank. The Board sets the ‘tone at the top’ of a bank, and has a responsibility to oversee compliance with these various requirements. The Board should ensure that the staff conduct their affairs with a high degree of integrity, taking note of applicable laws, codes and regulations.

Corporate Ethics, Conflicts of Interest and Code of Conduct

HC-2.2.2 Each approved person must understand that under the Company Law he is personally accountable to the Islamic bank licensee and the shareholders if he violates his legal duty of loyalty to the Islamic bank licensee, and that he can be personally sued by the Islamic bank licensee or the shareholders for such violations.

HC-2.2.3 The Board must establish corporate standards for approved persons and employees. This requirement should be met by way of a documented and published code of conduct or similar document. These standards must be communicated throughout the bank, so that the approved persons and staff understand the importance of conducting business based on good corporate governance values and understand their accountabilities to the various stakeholders of the licensee. Banks’ approved persons and staff must be informed of and be required to fulfil their fiduciary responsibilities to the bank’s stakeholders.

HC-2.2.4 An internal code of conduct is separate from the business strategy of a bank. A code of conduct should outline the practices that approved persons and staff should follow in performing their duties. Banks may wish to use procedures and policies to complement their codes of conduct. The suggested contents of a code of conduct are covered below:

- (a) *Commitment by the Board and management to the code.* The code of conduct should be linked to the objectives of the bank, and its responsibilities and undertakings to customers, shareholders, staff and the wider community (see HC-2.2.3 and HC-2.2.4). The code should give examples or expectations of honesty, integrity, leadership and professionalism;

MODULE	HC: High-Level Controls
CHAPTER	HC-2: Approved Persons Loyalty

HC-2.2 Personal Accountability (continued)

- (b) *Commitment to the law and best practice standards.* This commitment would include commitments to following accounting standards, industry best practice (such as ensuring that information to clients is clear, fair, and not misleading), transparency, and rules concerning potential conflicts of interest (see HC-2.3);
- (c) *Employment practices.* This would include rules concerning health and safety of employees, training, policies on the acceptance and giving of business courtesies, prohibition on the offering and acceptance of bribes, and potential misuse of Islamic bank licensee's assets;
- (d) How the Islamic bank licensee deals with *disputes and complaints* from clients and monitors compliance with the code; and
- (e) *Confidentiality.* Disclosure of client or bank information should be prohibited, except where disclosure is required by law (see HC-1.2.10 b).

HC-2.2.5 The Central Bank expects that the Board and its members individually and collectively:

- (a) Act with honesty, integrity and in good faith, with due diligence and care, with a view to the best interest of the bank and its shareholders and other stakeholders (see Paragraphs HC-2.2.2 to HC-2.2.4);
- (b) Act within the scope of their responsibilities (which should be clearly defined – see HC-1.2.9 and HC-1.2.11 and not participate in the day-to-day management of the bank;
- (c) Have a proper understanding of, and competence to deal with the affairs and products of the bank and devote sufficient time to their responsibilities; and
- (d) To independently assess and question the policies, processes and procedures of the bank, with the intent to identify and initiate management action on issues requiring improvement. (*i.e. to act as checks and balances on management*).

HC-2.2.6

The duty of loyalty (mentioned in Paragraph HC-2.2.2 above) includes a duty not to use property of the Islamic bank licensee for his personal needs as though it was his own property, not to disclose confidential information of the Islamic bank licensee or use it for his personal profit, not to take business opportunities of the Islamic bank licensee for himself, not to compete in business with the Islamic bank licensee, and to serve the Islamic bank licensee's interest in any transactions with a company in which he has a personal interest.

MODULE	HC: High-Level Controls
CHAPTER	HC-2: Approved Persons Loyalty

HC-2.2 Personal Accountability (continued)

HC-2.2.7

For purposes of Paragraph HC-2.2.6, an approved person should be considered to have a “personal interest” in a transaction with a company if:

- (a) He himself; or
- (b) A member of his family (i.e. spouse, father, mother, sons, daughters, brothers or sisters); or
- (c) Another company of which he is a director or controller,

is a party to the transaction or has a material financial interest in the transaction. (Transactions and interests which are de minimis in value should not be included.)

MODULE	HC:	High-Level Controls
CHAPTER	HC-2:	Approved Persons Loyalty

HC-2.3 Avoidance of Conflicts of Interest

HC-2.3.1 Each approved person must make every practicable effort to arrange his personal and business affairs to avoid a conflict of interest with the Islamic bank licensee.

HC-2.3.2 The Board must establish and disseminate to its members and management, policies and procedures for the identification, reporting, disclosure, prevention, or strict limitation of potential conflicts of interest. It is senior management's responsibility to implement these policies. Rules concerning connected party transactions and potential conflicts of interest may be dealt with in the Code of Conduct (see HC-2.2.4). In particular, the CBB requires that any decisions to enter into transactions, under which approved persons would have conflicts of interest that are material, should be formally and unanimously approved by the full Board. Best practice would dictate that an approved person must:

- (a) Not enter into competition with the bank;
- (b) Not demand or accept substantial gifts from the bank for himself or connected persons;
- (c) Not misuse the bank's² assets;
- (d) Not use the Islamic bank licensee's privileged information or take advantage of business opportunities to which the Islamic bank licensee is entitled, for himself or his associates; and
- (e) Absent themselves from any discussions or decision-making that involves a subject where they are incapable of providing objective advice, or which involves a subject or (proposed) transaction where a conflict of interest exists.

MODULE	HC:	High-Level Controls
CHAPTER	HC-2:	Approved Persons Loyalty

HC-2.4 Disclosure of Conflicts of Interest

HC-2.4.1

Each approved person must inform the entire Board of (potential) conflicts of interest in their activities with, and commitments to other organisations as they arise and abstain from voting on the matter in accordance with the relevant provisions of the Company Law. This disclosure must include all material facts in the case of a contract or transaction involving the approved person. The approved persons must understand that any approval of a conflicted transaction is effective only if all material facts are known to the authorising persons and the conflicted person did not participate in the decision. In any case, all approved persons must declare in writing all of their other interests in other enterprises or activities (whether as a shareholder of above 5% of the voting capital of a company, a manager, or other form of significant participation) to the Board (or the Nominations or Audit Committees) on an annual basis.

HC-2.4.2

The Board should establish formal procedures for:

- (a) Periodic disclosure and updating of information by each approved person on his actual and potential conflicts of interest; and
- (b) Advance approval by directors or shareholders who do not have an interest in the transactions in which an Islamic bank licensee's approved person has a personal interest. The Board should require such advance approval in every case.

CHAPTER	HC-2:	Approved Persons Loyalty

HC-2.5 Disclosure of Conflicts of Interest to Shareholders

HC-2.5.1

- (a) Review the Islamic bank licensee's accounting and **financial practices**;
- (b) Review the integrity of the Islamic bank licensee's financial and internal controls and financial statements (particularly with reference to information passed to the Board - see HC-1.2.10). The information needs of the Board to perform its monitoring responsibilities must be defined in writing, and regularly monitored by the Audit Committee;
- (c) Review the Islamic bank licensee's compliance with legal requirements;
- (d) Recommend the appointment, compensation and oversight of the Islamic bank licensee's external auditor; and
- (e) Recommend the appointment of the internal auditor.

HC-3.2.2

In its review of the systems and controls framework in Paragraph HC-3.2.1, the audit committee must:

- (a) Make effective use of the work of external and internal auditors. The audit committee must ensure the integrity of the bank's accounting and financial reporting systems through regular independent review (by internal and external audit). Audit findings must be used as an independent check on the information received from management about the bank's operations and performance and the effectiveness of internal controls; and
- (b) Make use of self-assessments, stress/scenario tests, and/or independent judgements made by external advisors. The Board should appoint supporting committees, and engage senior management to assist the audit committee in the oversight of risk management; and

The systems must produce information on a timely basis.

HC-3.2.3

HC-3.3.2

A majority of the audit committee must have the financial literacy qualifications stated in Appendix A.

HC-3.3.3

The Board should adopt a “whistleblower” program under which employees can confidentially raise concerns about possible improprieties in financial or legal matters. Under the program, concerns may be communicated directly to any audit committee member or, alternatively, to an identified officer or employee who will report directly to the Audit Committee on this point.

MODULE	HC:	High-Level Controls
CHAPTER	HC-4:	Appointment, Training and Evaluation of the Board

HC-4.2 Nominating Committee

HC-4.2.1

The Board must establish a Nominating Committee of at least three directors which must:

- (a) Identify persons qualified to become members of the Board of directors or Chief Executive Officer, Chief Financial Officer, Corporate Secretary and any other officers of the Islamic bank licensee considered appropriate by the Board, with the exception of the appointment of the internal auditor which shall be the responsibility of the Audit Committee in accordance with Paragraph HC-3.2.1 above; and

HC-4.2.2

The committee must include only independent directors or, alternatively, only non-executive directors of whom a majority must be independent directors and the chairman must be an independent director. This is consistent with international best practice and it recognises that the Nominating Committee must exercise judgment free from personal career conflicts of interest.

HC-4.4.2

The chairman of the Board should confirm to shareholders when proposing reelection of a director that, following a formal performance evaluation, the person's performance continues to be effective and continues to demonstrate commitment to the role. Any term beyond six years (e.g. two three-year terms) for a director should be subject to particularly rigorous review, and should take into account the need for progressive refreshing of the Board. Serving more than six years is relevant to the determination of a non-executive director's independence.

CHAPTER	HC-4:	Appointment, Training and Evaluation of the Board

HC-4.5 Induction and Training of Directors

HC-4.5.1

The chairman of the Board must ensure that each new director receives a formal and tailored induction to ensure his contribution to the Board from the beginning of his term. The induction must include meetings with senior management, visits to the Islamic bank licensee's facilities, presentations regarding strategic plans, significant financial, accounting and risk management issues, compliance programs, its internal and external auditors and legal counsel.

HC-5.3.2 The committee should include only independent directors or, alternatively, only non-executive directors of whom a majority are independent directors and the chairman is an independent director. This is consistent with international best practice and it recognises that the remuneration committee must exercise judgment free from personal career conflicts of interest.

HC-5.4 Standard for all Remuneration

HC-5.4.1

HC-5.6 Senior Management's Remuneration

HC-5.6.1

Remuneration of senior management must be structured so that a portion of the total is linked to the Islamic bank licensee's and individual's performance and aligns their interests with the interests of the shareholders.

HC-5.6.2

Such rewards may include grants of shares, share options and other deferred stock-related incentive schemes, bonuses, and pension benefits which are not based on salary.

HC-5.6.3

If a senior manager is also a director, his remuneration as a senior manager must take into account compensation received in his capacity as a director.

HC-5.6.4

All share incentive plans must be approved by the shareholders.

This must be done with the advice of the Nominating Committee and in consultation with the CEO, to whom the other senior managers should normally report.

HC-6.3.2 These provisions must include but should not be limited to the following:

- (a) The CEO must have authority to act generally in the Islamic bank licensee's name, representing the Islamic bank licensee's interests in concluding transactions on the Islamic bank licensee's behalf and giving instructions to other senior managers and Islamic bank licensee employees;
- (b) The chief financial officer must be responsible and accountable for:

This would include a review of the accuracy and reliability of the Islamic bank licensee's accounting records and financial reports as well as a review of the adequacy and effectiveness of the Islamic bank licensee's risk management, control, and governance processes.

HC-6.3.3 The Board should also specify any limits which it wishes to set on the authority of the CEO or other senior managers, such as monetary maximums for transactions which they may authorise without separate Board approval.

HC-6.3.4 The corporate secretary should be given general responsibility for reviewing the Islamic bank licensee's procedures and advising the Board directly on such matters (see Rule HC-6.3.2(c)). HC-6.4 Compliance

HC-6.4.1 In order to promote best practice with respect to banks' internal systems and controls and international banking supervision, the CBB, in this Chapter, outlines its requirements for the compliance function of banks. The expression 'Compliance Function' in this Chapter is used to describe staff carrying out compliance duties.

HC-6.4.2 The expression 'Compliance Risk', in this Chapter refers to the risk of legal or regulatory sanctions, material or financial loss, or loss to reputation a bank may suffer as a result of its failure to comply with laws, regulations, rules, reporting requirements, standards and codes of conduct applicable to its activities, rather than compliance with a bank's internal limits or procedures.

HC-6.4.3 For further information and guidance on compliance risk and the compliance function, banks should refer to the Basel Committee publication, 'Compliance and the compliance function in banks' (www.bis.org/publ April 2005). The CBB expects banks to carry out a review of their compliance with the principles in this paper on a regular basis (either by way of a self-assessment or by way of a review by the internal or external audit function).

CHAPTER	HC-7:	Communication between Board and Shareholders

HC-7.2 Conduct of Shareholders' Meetings

HC-7.2.1

The Board must observe both the letter and the intent of the Company Law's requirements for shareholder meetings. Among other things:

- (a) Notices of meetings must be honest, accurate and not misleading. They must clearly state and, where necessary, explain the nature of the business of the meeting;
- (b) Meetings must be held during normal business hours and at a place convenient for the greatest number of shareholders to attend;
- (c) Notices of meetings must encourage shareholders to attend shareholder meetings and, if not possible, to participate by proxy and must refer to procedures for appointing a proxy and for directing the proxy how to vote on a particular resolution. The proxy agreement must list the agenda items and must specify the vote (such as "yes," "no" or "abstain");
- (d) Notices must ensure that all material information and documentation is provided to shareholders on each agenda item for any shareholder meeting, including but not limited to any recommendations or dissents of directors;
- (e) The Board must propose a separate resolution at any meeting on each substantially separate issue, so that unrelated issues are not "bundled" together;
- (f) In meetings where directors are to be elected or removed the Board must ensure that each person is voted on separately, so that the shareholders can evaluate each person individually;
- (g) The chairman of the meeting must encourage questions from shareholders, including questions regarding the Islamic bank licensee's corporate governance guidelines;
- (h) The minutes of the meeting must be made available to shareholders upon their request as soon as possible but not later than 30 days after the meeting; and
- (i) Disclosure of all material facts must be made to the shareholders by the Chairman prior to any vote by the shareholders.

HC-7.2.2

The Islamic bank licensee should require all directors to attend and be available to answer questions from shareholders at any shareholder meeting and, in particular, ensure that the chairs of the audit, remuneration and nominating committees are ready to answer appropriate questions regarding matters within their committee's responsibility (it being understood that confidential and proprietary business information may be kept confidential).

MODULE	HC:	High-Level Controls
CHAPTER	HC-7:	Communication between Board and Shareholders

HC-7.2 Conduct of Shareholders' Meetings (continued)

HC-7.2.3 The Islamic bank licensee should require its external auditor to attend the annual shareholders' meeting and be available to answer shareholders' questions concerning the conduct and conclusions of the audit.

HC-7.2.4 An Islamic bank licensee should maintain a website. The Islamic bank licensee should dedicate a specific section of its website to describing shareholders' rights to participate and vote at each shareholders' meeting, and should post significant documents relating to meetings including the full text of notices and minutes. The Islamic bank licensee may also consider establishing an electronic means for shareholders' communications including appointment of proxies. For confidential information, the Islamic bank licensee should grant a controlled access to such information to its shareholders.

HC-7.2.5 In notices of meetings at which directors are to be elected or removed the Islamic bank licensee should ensure that:

- (a) Where the number of candidates exceeds the number of available seats, the notice of the meeting should explain the voting method by which the successful candidates will be selected and the method to be used for counting of votes; and
- (b) The notice of the meeting should fairly represent the views of candidates.

CHAPTER	HC-7: Communication between Board and Shareholders

HC-7.3 Direct Shareholder Communication

HC-7.3.1

The chairman of the Board (and other directors as appropriate) must maintain continuing personal contact with controllers to solicit their views and understand their concerns. The chairman must ensure that the views of shareholders are communicated to the Board as a whole. The chairman must discuss governance and strategy with controllers. Given the importance of market monitoring to enforce the “comply or explain” approach of this Module, the Board should encourage investors, particularly institutional investors, to help in evaluating the Islamic bank licensee’s corporate governance (see also HC-1.2 and 1.3 for other duties of the Chairman).

- (b) The Islamic bank licensee must publish the guidelines on its website, if it has a website;

Board's Responsibility for Disclosure

HC-8.2.3

The Board must oversee the process of disclosure and communications with internal and external stakeholders. The Board must ensure that disclosures made by the bank are fair, transparent, comprehensive and timely and reflect the character of the bank and the nature, complexity and risks inherent in the bank's business activities. HC-9.2 Governance and Disclosure per Shari'a Principles

HC-9.2.1

Islamic bank licensees which are guided by the principles of Islamic Shari'a have additional responsibilities to their stakeholders. Islamic bank licensees which refer to themselves as “Islamic” are subject to additional governance requirements and disclosures to provide assurance to stakeholders that they are following Shari'a Principles. In ensuring compliance with Shari'a principles, each Islamic bank licensee must establish an independent Shari'a Supervisory Board consisting of at least three Shari'a scholars and complying with AAOIFI's Governance Standards for Islamic Financial Institutions No.1 and No.2.

HC-9.2.2 The Board shall set up a Corporate Governance Committee (see also Chapter HC-8). In this case, the Committee shall comprise at least three members to co-ordinate and integrate the implementation of the governance policy framework.

HC-9.2.3 In addition to its duties outlined in Chapter HC-3 and Appendix A, the Audit Committee shall communicate and co-ordinate with the Islamic bank licensee's Corporate Governance Committee and the Shari'a Supervisory Board (“SSB”) (where applicable) to ensure that information on compliance with Islamic Shari'a rules and principles is reported in a timely manner.

HC-9.2.4 The Corporate Governance Committee established under Chapter HC-9 shall comprise at a minimum of:

- An independent director to chair the Corporate Governance Committee. The Chairman of the Corporate Governance Committee should not only possess the relevant skills, such as the ability to read and understand financial statements, but should also be able to coordinate and link the complementary roles and functions of the Corporate Governance Committee and the Audit Committee;
- A Shari'a scholar who is an SSB member for the purpose of leading the Corporate Governance Committee on Shari'a-related governance issues (if any), and also to coordinate and link the complementary roles and functions of the Corporate Governance Committee and the SSB; and
