Dear Sir,

CBB Rulebook: Volume 2 – October 2012 Quarterly Update

The latest quarterly update to Volume 2 has now been incorporated in the website version of the Rulebook.¹ At present, only the PDF files have been fully updated. The HTML versions are gradually coming online.

Recipients should update their hard copy folders through accessing the CBB website and print off the relevant pages from the PDF files for insertion into their folder. This cover letter highlights the main changes introduced this quarter. The table attached to this letter lists which pages to print off.

Module Contents Pages

The Table of Contents pages for each Module contained in Part A of Volume 2 have been updated. They now show their current issue date at the bottom right hand corner of the page: i.e. October 2012. The revised Modules are effective from the date of this letter, except as otherwise specified in the Module itself.

Contents pages also show the current issue date for every section of a Module. Where a section has been modified as part of this update, then its issue date will also have been changed to October 2012. These contents pages therefore act as a summary checklist for Rulebook users.

¹ Volume 2 can be accessed from www.cbb.gov.bh : from the Home page, select 'CBB Rulebooks' and then 'Volume 2'

Changes for October 2012

The changes for October 2012 are listed in the attached table.

The changes reflect the results of various consultations that have taken place with the industry. Rulebook users should note that for each consultation a feedback statement is prepared and posted on the CBB Website under finalised consultations and include all comments received during the consultation period and how these have been dealt with by the CBB.

Gap Analysis for Amendments in Chapter OM-8

As a result of the consultation undertaken on the enhancements to Basel II “principles for the Sound Management of Operational Risk”, Chapter OM-8 has been amended accordingly. Locally incorporated Islamic banks are requested to review the updated Chapter and provide to the CBB a gap analysis related to these amendments and steps being taken to address any gaps, including a specified timeline. The gap analysis must be submitted to the CBB by 19th December 2012 at the latest. The gap analysis should be sent to the Islamic Financial Institutions Supervision Directorate.

Further information

Should you have any queries regarding these updates, you may contact the CBB Rulebook team at rulebook@cbb.gov.bh, or else please speak to your normal supervisory contact.

Yours faithfully,

Khalid Hamad
