BR-A.1 Purpose

Executive Summary

BR-A.1.1 This Module sets out requirements applicable to investment firm licensees regarding reporting to the Central Bank of Bahrain ('CBB'). These include the provision of financial information to the CBB by way of quarterly prudential returns, as well as notification to the CBB of certain specified events, some of which require prior CBB approval. This Module also outlines the methods used by the CBB in gathering information required in the supervision of investment firm licensees.

BR-A.1.2 The requirements in this Module apply to all categories of investment firm licensees.

Legal Basis

BR-A.1.3 This Module contains the CBB's Directive (as amended from time to time) regarding CBB Reporting requirements applicable to investment firm licensees, and is issued under the powers available to the CBB under Article 38 of the Central Bank of Bahrain and Financial Institutions Law 2006 ('CBB Law').

BR-A.1.4 For an explanation of the CBB's rule-making powers and different regulatory instruments, see section UG-1.1.

MODULE	BR: CBB Reporting
CHAPTER	BR-B: Scope of Application

BR-B.1 License Categories

BR-B.1.1 The content of this Module – unless otherwise stated – applies to all categories of investment firm licensees authorised in the Kingdom.

BR-B.1.2 The effect of BR-B.1.1 is that this Module, unless otherwise stated, applies in full to all investment firm licensees authorised in Bahrain, whether or not the investment firm licensee is incorporated in Bahrain, or else is incorporated in an overseas territory and operates through a branch in the Kingdom.

MODULE	BR: CBB Reporting
CHAPTER	BR-1: Prudential Reporting

BR-1.1 Quarterly Prudential Reporting

BR-1.1.1 All investment firm licensees must prepare and submit to the CBB a Quarterly Prudential Return ('Form QPR').

BR-1.1.2 A copy of Form QPR is contained in Part B of Volume 4 of the CBB Rulebook. As per the reporting instructions for the Form, Category 1 investment firms and Category 2 investment firms are required to complete all sections of the Form. Category 3 investment firms are required to complete only a subset of the sections of the Form, reflecting their more limited range of activities.

BR-1.1.3 The Quarterly Prudential Return must be submitted to the CBB within 30 calendar days of each quarter end (as defined in Rule BR-1.3.1).

BR-1.1.4 For each submission, a certified hard copy of the Form, together with an electronic 'soft copy', must be submitted to the CBB.

Scope of the Quarterly Prudential Return

BR-1.1.5 The Quarterly Prudential Return must be submitted using the prescribed Form QPR, as contained in Part B of Volume 4 (Investment Business), together with the required auditor's report only for the quarter ending 30 June (or semi-annually, depending on the licensee's financial year-end).

BR-1.1.6 The Quarterly Prudential Return must be completed by every investment firm licensee as follows:

- (a) In the case of an investment firm licensee incorporated in Bahrain, the Quarterly Prudential Return must be completed on a consolidated basis, i.e. showing the assets and liabilities of the licensee concerned (including any of its branches, subsidiaries or associates); and
- (b) In the case of an overseas investment firm licensee, the Quarterly Prudential Return must be completed in respect of the investment business booked by the overseas investment firm licensee in the Bahrain branch only.

Valuation of Assets and Liabilities

BR-1.1.7 Amounts included within the Quarterly Prudential Return must be determined in accordance with the recognition and measurement principles specified by International Financial Reporting Standards.

MODULE	BR: CBB Reporting
CHAPTER	BR-1: Prudential Reporting

BR-1.1 Quarterly Prudential Reporting (continued)

Auditor's Report

BR-1.1.8

In accordance with Paragraph AA-3.1.1, for Category 1 and Category 2 investment firm licensees, the Quarterly Prudential Returns for the quarter ending 30 June (or semi-annually, depending on the licensee's financial year-end) must be reviewed by the firm's external auditor, unless otherwise exempted in writing by CBB.

BR-1.1.9

The requirement in Rule BR-1.1.8 aims to ensure accuracy and consistency of the financial data presented in Form QPR. Where auditor reviews reveal no material errors in four successive reviews, an exemption from this requirement may be requested. The CBB will normally grant such an exemption, unless it has other supervisory concerns regarding the licensee. However, material reporting errors identified in subsequent Forms QPR may lead to the exemption being withdrawn.

BR-1.1.10

For the purpose of Rule BR-1.1.8, the time allowed for submission of the Auditor's report is 15 calendar days from the date of submission of the return to the CBB.

Preparation and Submission of the Quarterly Prudential Return

BR-1.1.11

If the CBB notifies an investment firm licensee that a Form submitted under Rule BR-1.1.1 appears to be inaccurate or incomplete, the investment firm licensee must promptly look into the matter and within 5 business days of the CBB notification (or as otherwise agreed), correct any inaccuracies or make good any omissions, and submit the amended parts of the Quarterly Prudential Return.

BR-1.1.12

The hard copy of the Quarterly Prudential Return must be signed by the Chief Executive (or General Manager, as appropriate) of the licensee or a senior official authorised by the Chief Executive to sign on his behalf.

Public Disclosure

BR-1.1.13

Submitted Forms QPR are not public documents and will not be disclosed to third parties by the CBB without the investment firm licensee's consent. However, the CBB may from time to time publish aggregate information derived from such Forms, relating to categories of investment firm licensees or the Bahrain investment business sector as a whole.

BR-1.1.14

Whilst submitted Forms QPR are not public documents, investment firm licensees are not prevented from providing complete copies (including all relevant certifications and reports) to third parties.

MODULE	BR: CBB Reporting
CHAPTER	BR-1: Prudential Reporting

BR-1.2 Group Prudential Reporting

Annual Group Return

BR-1.2.1 Investment firm licensees that are part of a group must submit an Annual Group Return (Form AGR).

BR-1.2.2 Group reporting is required in order for the CBB to better assess the financial condition of the group as a whole and the possible impact this may have on the operations of investment firm licensees.

BR-1.2.3 Forms AGR must be prepared and submitted to the CBB in respect of the ultimate parent undertaking for each financial year, or as otherwise directed by the CBB.

BR-1.2.4 The financial year for the purposes of Rule BR-1.2.3 must coincide with that of the ultimate parent undertaking. In instances where the financial year end of the parent undertaking is other than 31 December, the investment firm licensee must notify the CBB of the financial year end of the parent undertaking.

BR-1.2.5 For each submission of a Form AGR, a certified hard copy of the Form, together with an electronic 'soft copy', must be submitted to the CBB.

BR-1.2.6 Form AGR must be submitted to the CBB within 3 months of the ultimate parent undertaking's financial year end.

BR-1.2.7 Financial information contained in Form AGR must be extracted from the consolidated financial statements prepared in respect of the group as a whole.

BR-1.2.8 For the purposes of this Section:

- (a) A group means structures where an investment firm licensee has one or more parent undertakings, or is itself a parent undertaking; and
- (b) The ultimate parent undertaking means the highest parent undertaking of the investment firm licensee that undertakes regulated financial services or, in the case of holding companies, whose holdings are mainly in companies undertaking regulated financial services.

BR-1.2.9 Paragraphs BR-1.1.11 to BR-1.1.14 inclusive also apply with respect to Forms AGR.

MODULE	BR:	CBB Reporting
CHAPTER	BR-1:	Prudential Reporting

BR-1.3 Prudential and Financial Reporting Dates

BR-1.3.1 For the purpose of reporting requirements under this Module, the quarter end of an investment firm licensee must be a 3 - month period ending on 31 March, 30 June, 30 September or 31 December.

BR-1.3.2 The financial year of an investment firm licensee must be a 12-month period ending on 31 December, except where the firm has obtained the written consent from the CBB for either the period or the period end to be other than 12 months and 31 December respectively. In any event, the financial year can never be less than a 6-month period or greater than an 18-month period.

BR-1.3.3 In instances where the financial year end of the parent undertaking is other than 31 December, the investment firm licensee must notify the CBB that its financial year will coincide with that of its parent undertaking.

BR-1.3.4 For the purposes of Rules BR-1.3.2 and BR-1.3.3, the CBB would usually accept that the financial year end of a branch to be the same as that of its head office (i.e. the company of which it is part). The CBB may also consider allowing licensees that are part of an overseas group to have a different year end, where imposing a December year-end would cause significant difficulties. Otherwise, the only time that the CBB would be likely to consider allowing an investment firm licensee to adopt a financial period of other than 12 months would be the year in which it is authorised, or when the company's shareholders have themselves approved a change in the reporting period for the purposes of its financial statements.

MODULE	BR: CBB Reporting
CHAPTER	BR-2: Notifications and Approvals

BR-2.1 Introduction

BR-2.1.1 All notifications and approvals required in this Chapter are to be submitted by investment firm licensees in writing.

BR-2.1.2 In this Module, the term 'in writing' includes electronic communication capable of being reproduced in paper form.

BR-2.1.3 An investment firm licensee must make the notifications and approvals required in Chapter BR-2 immediately it becomes aware, or has information which reasonably suggests, that any of the matters in Chapter BR-2 have occurred, may have occurred or may occur in the near future.

BR-2.1.4 The requirements imposed on investment firm licensees under this Chapter apply whether the event relates to a matter that has occurred in Bahrain or in any other jurisdiction.

BR-2.1.5 Investment firm licensees are required to provide the CBB with a range of information to enable it to monitor the investment firm licensee's compliance with Volume 4 of the CBB Rulebook. Some of this information is provided through regular reports, whereas others are in response to the occurrence of a particular event (such as a change in name or address). The following lists the commonly occurring reports for which an investment firm licensee will be required to notify the CBB or seek its approval.

MODULE	BR: CBB Reporting
CHAPTER	BR-2: Notifications and Approvals

BR-2.2 Notification Requirements

Matters Having a Serious Supervisory Impact

BR-2.2.1

An investment firm licensee must notify the CBB if any of the following has occurred, may have occurred or may occur in the near future:

- (b) Any matter which could have a significant adverse impact on the investment firm licensee's reputation;
- (c) Any matter which could affect the investment firm licensee's ability to continue to provide adequate services to its customers and which could result in serious detriment to a customer of the investment firm licensee;
- (d) Any matter in respect of the investment firm licensee that could result in material financial consequences to the financial system or to other investment firm licensees;
- (e) Any breach of any provision of the Rulebook (including a Principle);
- (f) A breach of any requirement imposed by the relevant law or by regulations or an order made under any relevant law by the CBB; or
- (g) If an investment firm licensee becomes aware, or has information that reasonably suggests that it has or may have provided the CBB with information that was or may have been false, misleading, incomplete or inaccurate, or has or may have changed in a material way, it must notify the CBB immediately (ref. BR-3.3.2).

BR-2.2.2 The circumstances that may give rise to any of the events in Paragraph BR-2.2.1 are wide-ranging and the probability of any matter resulting in such an outcome, and the severity of the outcome, may be difficult to determine. However, the CBB expects investment firm licensees to consider properly all potential consequences of events.

BR-2.2.3 In determining whether an event that may occur in the near future should be notified to the CBB, an investment firm licensee should consider both the probability of the event happening and the severity of the outcome should it happen. Matters having a supervisory impact could also include matters relating to a parent undertaking or controller that may indirectly have an effect on the investment firm licensee.

MODULE	BR: CBB Reporting
CHAPTER	BR-2: Notifications and Approvals

BR-2.2.5 An investment firm licensee must notify the CBB of the bringing of a prosecution for, or conviction of, any offence under any relevant law against the investment firm licensee that would prevent the investment firm licensee from meeting the Principles or Business (Module PB) or any of its Directors, officers or approved persons from meeting the fit and proper requirements of Module AU.

Fraud, Errors and other Irregularities

BR-2.2.6 An investment firm licensee must notify its supervisory point of contact, and in cases of fraud the Compliance Directorate at the CBB immediately if one of the following events arises and the event is significant:

- (a) The size of any monetary loss or potential monetary loss to itself or its customers (either in terms of a single incident or group of similar or related incidents);

MODULE	BR: CBB Reporting

BR-2.2.7 cont'd

- (b) The risk of reputational loss to the investment firm licensee; and
- (c) Whether the incident or a pattern of incidents reflects weaknesses in the investment firm licensee's internal controls.

BR-2.2.8

BR-3.1.1A Investment firm licensees must provide all relevant information and assistance to the CBB inspectors and appointed experts on demand as required by Articles 111 and 114 of the CBB Law. Failure by investment firm licensees to cooperate fully with the CBB's inspectors or appointed experts, or to respond to their examination reports within the time limits specified, will be treated as demonstrating a material lack of cooperation with the CBB which will result in other enforcement measures being considered, as described elsewhere in Module EN. CHAPTER	BR-3: Information Gathering by the CBB

BR-3.4 Methods of Information Gathering

BR-3.4.1 The CBB uses various methods of information gathering on its own initiative which require the cooperation of investment firm licensees:

- (a) Representatives of the CBB may make onsite visits at the premises of the investment firm licensee. These visits may be made on a regular basis, or on a sample basis, for special purposes such as theme visits (looking at a particular issue across a range of investment firm licensees), or when the CBB has a particular reason for visiting an investment firm licensee;
- (b) Appointees of the CBB may also make onsite visits at the premises of the investment firm licensee. Appointees of the CBB may include persons who are not CBB staff, but who have been appointed to undertake particular monitoring activities for the CBB, such as in the case of Appointed Experts (refer to Section BR-3.5).
- (c) The CBB may request the investment firm licensee to attend meetings at the CBB's premises or elsewhere;
- (d) The CBB may seek information or request documents by telephone, at meetings or in writing, including electronic communication;
- (e) The CBB may require investment firm licensees to submit various documents or notifications, as per Chapter BR-2, in the ordinary course of their business such as financial reports or on the happening of a particular event in relation to the investment firm licensee such as a change in control.

BR-3.4.2 When seeking meetings with an investment firm licensee or access to the licensee's premises, the CBB or the CBB appointee needs to have access to an investment firm licensee's documents and personnel. Such requests will be made during reasonable business hours and with proper notice. There may be instances where the CBB may seek access to the licensee's premises without prior notice. While such visits are not common, the prospect of unannounced visits is intended to encourage investment firm licensees to comply at all times with the requirements and standards imposed by the CBB as per legislation and Volume 4 of the CBB Rulebook.

BR-3.4.3 The CBB considers that an investment firm licensee should:

- (a) Make itself readily available for meetings with representatives or appointees of the CBB;
- (b) Give representatives or appointees of the CBB reasonable access to any records, files, tapes or computer systems, which are within the investment firm licensee's possession or control, and provide any facilities which the representatives or appointees may reasonably request;
- (c) Produce to representatives or appointees of the CBB specified documents, files, tapes, computer data or other material in the investment firm licensee's possession or control as may be reasonably requested;

MODULE	BR: CBB Reporting
CHAPTER	BR-3: Information Gathering by the CBB

BR-3.4 Methods of Information Gathering (continued)

- BR-3.4.3
- (d) Print information in the investment firm licensee's possession or control which is held on computer or otherwise convert it into a readily legible document or any other record which the CBB may reasonably request;
 - (e) Permit representatives or appointees of the CBB to copy documents of other material on the premises of the investment firm licensee at the investment firm licensee's expense and to remove copies and hold them elsewhere, or provide any copies, as may be reasonably requested; and
 - (f) Answer truthfully, fully and promptly all questions which representatives or appointees of the CBB reasonably put to it.
- BR-3.4.4
- The CBB considers that an investment firm licensee should take reasonable steps to ensure that the following persons act in the manner set out in Paragraph BR-3.4.3:
- (a) Its employees; and
 - (b) Any other members of its group and their employees.
- BR-3.4.5
- In gathering information to fulfill its supervisory duties, the CBB acts in a professional manner and with due regard to maintaining confidential information obtained during the course of its information gathering activities.

MODULE	BR: CBB Reporting
CHAPTER	BR-3: Information Gathering by the CBB

BR-3.5 Role of the Appointed Expert

Introduction

BR-3.5.1

The content of this Chapter is applicable to all investment firm licensees and appointed experts.

BR-3.5.2 The purpose of the contents of this Chapter is to set out the roles and responsibilities of appointed experts when appointed pursuant to Article 114 or 121 of the CBB Law (see EN-2.1.1). These Articles empower the CBB to assign some of its officials or others to inspect or conduct investigations of investment firm licensees.

BR-3.5.3 The CBB uses its own inspectors to undertake on-site examinations of licensees as an integral part of its regular supervisory efforts. In addition, the CBB may commission reports on matters relating to the business of licensees in order to help it assess their compliance with CBB requirements. Inspections may be carried out either by the CBB's own officials, by duly qualified appointed experts appointed for the purpose by the CBB, or a combination of the two.

BR-3.5.4 The CBB will not, as a matter of general policy, publicise the appointment of an appointed expert, although it reserves the right to do so where this would help achieve its supervisory objectives. Both the appointed expert and the CBB are bound to confidentiality provisions restricting the disclosure of confidential information with regards to any such information obtained in the course of the investigation.

BR-3.5.5

Unless the CBB otherwise permits, appointed experts should not be the same firm appointed as external auditor of the investment firm licensee.

BR-3.5.6

Appointed experts will be appointed in writing, through an appointment letter, by the CBB. In each case, the CBB will decide on the range, scope and frequency of work to be carried out by appointed experts.

BR-3.5.7 All proposals to appoint appointed experts require approval by an Executive Director or more senior official of the CBB. The appointment will be made in writing, and made directly with the appointed experts concerned. A separate letter is sent to the licensee, notifying them of the appointment. At the CBB's discretion, a trilateral meeting may be held at any point, involving the CBB and representatives of the licensee and the appointed experts, to discuss any aspect of the investigation.

BR-3.5.8 Following the completion of the investigation, the CBB will normally provide feedback on the findings of the investigation to the licensee.

MODULE	BR: CBB Reporting
CHAPTER	BR-6: Information Gathering by the CBB

BR-3.5 Role of the Appointed Expert (continued)

BR-3.5.9 Appointed experts will report directly to and be responsible to the CBB in this context and will specify in their report any limitations placed on them in completing their work (for example due to the licensee's group structure). The report produced by the appointed experts is the property of the CBB (but is usually shared by the CBB with the firm concerned).

BR-3.5.10 Compliance by appointed experts with the contents of this Chapter will not, of itself, constitute a breach of any other duty owed by them to a particular investment firm licensee (i.e. create a conflict of interest).

BR-3.5.11 The CBB may appoint one or more of its officials to work on the appointed experts' team for a particular investment firm licensee.

The Required Report

BR-3.5.12 The scope of the required report will be determined and detailed by the CBB in the appointment letter. Commissioned appointed experts would normally be required to report on one or more of the following aspects of a licensee's business:

- (a) Accounting and other records;
- (b) Internal control systems;
- (c) Returns of information provided to the CBB;
- (d) Operations of certain departments; and/or
- (e) Other matters specified by the CBB.

BR-3.5.13 Appointed experts will be required to form an opinion on whether, during the period examined, the licensee is in compliance with the relevant provisions of the CBB Law and the CBB's relevant requirements, as well as other requirements of Bahrain Law and, where relevant, industry best practice locally and/or internationally.

BR-3.5.14 The appointed experts' report should follow the format set out in Appendix BR-1, in part B of the CBB Rulebook.

BR-3.5.15 Unless otherwise directed by the CBB or unless the circumstances described in Section BR-3.5.19 apply, the report must be discussed with the Board of directors and/or senior management in advance of it being sent to the CBB.

MODULE	BR: CBB Reporting
CHAPTER	BR-3: Information Gathering by the CBB

BR-3.5 Role of the Appointed Expert (continued)

BR-3.5.16 Where the report is qualified by exception, the report must clearly set out the risks which the licensee runs by not correcting the weakness, with an indication of the severity of the weakness should it not be corrected. Appointed experts will be expected to report on the type, nature and extent of any weaknesses found during their work, as well as the implications of a failure to address and resolve such weaknesses.

BR-3.5.17 If the appointed experts conclude, after discussing the matter with the licensee, that they will give a negative opinion (as opposed to one qualified by exception) or that the issue of the report will be delayed, they must immediately inform the CBB in writing giving an explanation in this regard.

BR-3.5.18 The report must be completed, dated and submitted, together with any comments by directors or management (including any proposed timeframe within which the licensee has committed to resolving any issues highlighted by the report), to the CBB within the timeframe applicable.

Other Notifications to the CBB

BR-3.5.19 Appointed experts must communicate to the CBB, during the conduct of their duties, any reasonable belief or concern they may have that any of the requirements of the CBB, including the criteria for licensing a licensee (see Module AU), are not or have not been fulfilled, or that there has been a material loss or there exists a significant risk of material loss in the concerned licensee, or that the interests of customers are at risk because of adverse changes in the financial position or in the management or other resources of a licensee. Notwithstanding the above, it is primarily the licensee's responsibility to report such matters to the CBB.

BR-3.5.20 The CBB recognises that appointed experts cannot be expected to be aware of all circumstances which, had they known of them, would have led them to make a communication to the CBB as outlined above. It is only when appointed experts, in carrying out their duties, become aware of such a circumstance that they should make detailed inquiries with the above specific duty in mind.

BR-3.5.21 If appointed experts decide to communicate directly with the CBB in the circumstances set out in Paragraph BR-3.5.19, they may wish to consider whether the matter should be reported at an appropriate senior level in the licensee at the same time and whether an appropriate senior representative of the licensee should be invited to attend the meeting with the CBB.

MODULE	BR: CBB Reporting
CHAPTER	BR-3: Information Gathering by the CBB

BR-3.5 Role of the Appointed Expert (continued)

Permitted Disclosure by the CBB

BR-3.5.22

Information which is confidential and has been obtained under, or for the purposes of, this chapter or the CBB Law may only be disclosed by the CBB in the circumstances permitted under the Law. This will allow the CBB to disclose information to appointed experts to fulfil their duties. It should be noted, however, that appointed experts must keep this information confidential and not divulge it to a third party except with the CBB's permission and/or unless required by Bahrain Law.

Trilateral Meeting

BR-3.5.23

The CBB may, at its discretion, call for a trilateral meeting(s) to be held between the CBB and representatives of the relevant investment firm licensee and the appointed experts. This meeting will provide an opportunity to discuss the appointed experts' examination of, and report on, the investment firm licensee.
