CHAPTER	AU-A: Introduction

AU-A.1 Purpose

Executive Summary

- AU-A.1.1 The executive summary only provides an overview. For detailed rules, reference must be made to the individual Rules outlined in the remainder of this Module.
- AU-A.1.2 Module AU sets out the Central Bank of Bahrain’s (“CBB’s) approach to licensing providers of regulated ancillary services in the Kingdom of Bahrain. It also sets out CBB requirements for approving persons undertaking key functions in those providers.
- AU-A.1.3 Licensed providers of regulated ancillary services fall into the following categories: third party administrators, card processing services, operating a credit reference bureau, payment service providers, Shari’a advisory/review services, operating a crowdfunding platform, account information service providers and payment initiation service providers and carrying out services in accordance with the CBB Law. These licensees are referred to as financial sector support institutions under Article (1) of the CBB Law and its amendments.
- AU-A.1.4 Regulated ancillary services are defined in Paragraph AU-1.2.1.
- AU-A.1.5 Persons undertaking certain functions in relation to ancillary service provider licensees require prior CBB approval. These functions (called ‘controlled functions’) include members of the board of directors and members of senior management. The controlled functions regime supplements the licensing regime by ensuring that key persons involved in the running of ancillary service provider licensees are fit and proper. Those authorised by the CBB to undertake controlled functions are called approved persons.

Retaining Authorised Status

- AU-A.1.6** The requirements set out in Chapters AU-2 and AU-3 represent the minimum conditions that have to be met in each case, both at the point of authorisation and on an on-going basis thereafter, in order for authorised status to be retained.

AU-A.1 Purpose (continued)

Legal Basis

AU-A.1.7

This Module contains the CBB's Directive incorporating the relevant Regulations and Resolutions (as amended from time to time) applicable to all ancillary service provider licensees (including their approved persons) regarding authorisation under CBB Rulebook Volume 5: Specialised Licensees and is issued under the powers available to the CBB under Articles 37 to 42, 44 to 48 and 180 of the Central Bank of Bahrain and Financial Institutions Law 2006 and its amendments ('CBB Law'). It includes:

- (a) the requirements (as amended from time to time) under Regulation No (1) of 2007 pertaining to the CBB's regulated services issued under Article 39 of the CBB Law and those requirements governing the conditions of granting a license for the provision of regulated services as prescribed under Resolution No (43) of 2011 and issued under the powers available to the CBB under Article 44(c);
- (b) the requirements under Resolution No. (16) for the year 2012 including the prohibition of marketing financial services pursuant to Article 42 of the CBB Law;
- (c) the prior approval requirements for approved persons under Resolution No (23) of 2015; **and**
- (d) the requirements (as amended from time to time) contained in Resolution No (1) of 2007 with respect to determining fees categories due for licenses and services provided by the CBB.

AU-A.1.8

For an explanation of the CBB's rule-making powers and different regulatory instruments, see Section UG-1.1.

AU-A.1.9

Persons wishing to undertake regulated ancillary services are required to be licensed by the CBB as an ancillary service provider licensee.

Licensing Conditions

AU-A.1.10

Ancillary service provider licensees are subject to 8 licensing conditions, mostly specified at a high-level in Module AU, and further expanded in underlying subject Modules (such as Module BR). These licensing conditions are broadly equivalent to the standards applied in other Volumes of the CBB Rulebook, to other license categories, and are consistent with international good practice.

MODULE	AU:	Authorisation
CHAPTER	AU-B:	Scope of Application

AU-B.1 Scope of Application

AU-B.1.1

The content of this Module applies to all ancillary service provider licensees authorised in the Kingdom of Bahrain, thereafter referred to in this Module as licensees.

AU-B.1.2

Two types of authorisation are prescribed:

- (a) Any person seeking to provide regulated ancillary services within or from the Kingdom of Bahrain must hold the appropriate CBB license (see Section AU-1.1); and
- (b) Natural persons wishing to perform a controlled function in a licensee also require prior CBB's approval, as an approved person (see Section AU-1.2).

AU-B.1.3

The authorisation requirements in Chapter AU-1 have general applicability, in that they prevent any person from providing (or seeking to provide) regulated ancillary services within or from the Kingdom of Bahrain, unless they have been licensed as an ancillary service provider by the CBB (see Rule AU-1.1.1).

AU-B.1.4

The remaining requirements in Chapters AU-1 to AU-3 (besides those mentioned in Section AU-B.1 above) apply to all those licensed by the CBB as an ancillary service provider licensee, or which are in the process of seeking such a license. They apply to persons incorporated in the Kingdom of Bahrain, unless otherwise specified.

AU-B.1.5

Chapter AU-2 applies to licensees (not just applicants), since licensing conditions have to be met on a continuous basis by licensees. Similarly, Chapter AU-3 applies to approved persons on a continuous basis; it also applies to licensees seeking an approved person authorisation. Chapter AU-4 contains requirements applicable to licensees, with respect to the starting up of their operations, as well as to licensees and approved persons, with respect to the amendment or cancellation of their authorised status. Finally, Section AU-5.2 imposes annual fees on licensees.

CHAPTER	AU-1: Authorisation Requirements

AU-1.3 Approved Persons

General Requirements

AU-1.3.1 Licensees must obtain the CBB's prior written approval for any person wishing to undertake a controlled function at a licensee. The approval from the CBB must be obtained prior to their appointment.

AU-1.3.2 Controlled functions are those occupied by board members and persons in executive positions and include:

- (a) Member of the Board of Directors;
- (b) Chief executive or general manager and their deputies;
- (c) Head of function;
- (d) Compliance officer; and
- (e) Money Laundering Reporting Officer (for PSPs).

AU-1.3.3 Combination of the above controlled functions is subject to the requirements contained in Module HC.

Basis for Approval

AU-1.3.4 Approval under Paragraph AU-1.3.1 is only granted by the CBB, if it is satisfied that the person is fit and proper to hold the particular position in the licensee concerned. 'Fit and proper' is determined by the CBB on a case-by-case basis. The definition of 'fit and proper' and associated guidance is provided in Section AU-3.1.

AU-1.3.5 The chief executive or general manager means a person who is responsible for the conduct of the licensee (regardless of actual title). The chief executive or general manager must be resident in Bahrain. This person is responsible for the conduct of the whole of the firm.

AU-1.3.6 Head of function means a person who exercises major managerial responsibilities, is responsible for a significant business or operating unit, or has senior managerial responsibility for maintaining accounts or other records of the licensee.

MODULE	AU: Authorisation
CHAPTER	AU-1: Authorisation Requirements

AU-1.3 Approved Persons (continued)

AU-1.3.7 Whether a person is a head of function will depend on the facts in each case and is not determined by the presence or absence of the word in their job title. Examples of head of function might include, depending on the scale, nature and complexity of the business, a deputy chief executive; heads of departments such as risk management, compliance or internal audit; the chief financial officer; head of business department, etc.

AU-1.3.8 Where a licensee is in doubt as to whether a function should be considered a controlled function it must discuss the case with the CBB.

AU-1.3.9 All licensees must designate an employee, of appropriate standing and resident in Bahrain, as compliance officer. The compliance officer must report to senior management and must have access to the board of directors. The duties of the compliance officer include:

- (a) Assisting senior management/head of function to identify and assess the main compliance risks facing the licensees and the plans to manage them;
- (b) Advising senior management/head of function on compliance with laws, rules and standards, including keeping them informed on developments in the area;
- (c) Assisting senior management/head of function in educating staff on compliance issues, and acting as a contact point within the licensee for compliance queries from staff members;
- (d) Establishing written guidance to staff on the appropriate implementation of compliance with laws, rules and standards through policies and procedures and other documents such as compliance manuals, internal codes of conduct and practice guidelines;
- (e) On a pro-active basis, identifying, documenting and assessing the compliance risks associated with the licensee's business activities, including the development of new products and business practices, the proposed establishment of new types of business or customer relationships, or material changes in the nature of such relationships;
- (f) Monitoring and testing compliance by performing sufficient and representative compliance testing; and
- (g) Reporting on a regular basis to the board of directors or the Audit committee of the board of directors.

CHAPTER	AU-2:	Licensing Conditions

AU-2.3 Condition 3: Controllers

AU-2.3.1

Licensees must satisfy the CBB that their controllers are suitable and pose no undue risks to the licensee. Licensees must also satisfy the CBB that their group structures do not prevent the effective supervision of the licensee by the CBB and otherwise pose no undue risks to the licensee.

AU-2.3.2 Chapter GR-7 contains the CBB's requirements and definitions regarding controllers.

AU-2.3.3 In summary, controllers are persons who directly or indirectly are significant shareholders in a licensee, or who are otherwise able to exert significant influence on the licensee. The CBB seeks to ensure that controllers pose no significant risks to the licensee. In general terms, controllers are assessed in terms of their financial standing, their judicial and regulatory record, and standards of business and (where relevant) personal probity.

AU-2.3.4 As regards group structures, the CBB seeks to ensure that these do not prevent adequate consolidated supervision being applied to financial entities within the group, and that other group entities do not pose any material financial, reputational or other risks to the licensee.

AU-2.3.5 In all cases, when judging applications from existing groups, the CBB will have regard to the reputation and financial standing of the group as a whole. Where relevant, the CBB will also take into account the extent and quality of supervision applied to overseas members of the group and take into account any information provided by other supervisors in relation to any member of the group.

CHAPTER	AU-2:	Licensing Conditions

AU-2.7 Condition 7: External Auditor

AU-2.7.1

Article 61 of the CBB Law requires that licensees appoint an external auditor, subject to the CBB's prior approval. The minimum requirements regarding auditors contained in Module AA (Auditors and Accounting Standards) must be met.

MODULE	AU:	Authorisation
CHAPTER	AU-2:	Licensing Conditions

AU-2.8 Condition 8: Other Requirements

Books and Records

AU-2.8.1

Article 59 of the CBB Law requires that licensees must maintain comprehensive books of accounts and other records, and satisfy the minimum record-keeping requirements contained in Article 60 of the pre-mentioned Law and Module GR. Books of accounts must comply with the financial accounting standards issued by the International Financial Reporting Standards (IFRS)/International Accounting Standards (IAS) or the applicable AAOIFI standards for Islamic licensees.

Provision of Information

AU-2.8.2

Articles 58, 111, 114 and 163 of the CBB Law require that licensees and their staff must act in an open and cooperative manner with the CBB. Licensees must meet the regulatory reporting and disclosure requirements contained in Module BR. As per Article 62 of the CBB Law, audited financial statements must be submitted to the CBB within 3 months of the licensee's financial year-end.

General Conduct

AU-2.8.3

Licensees must conduct their activities in a professional and orderly manner, in keeping with good market practice. Licensees must comply with the general standards of business conduct contained in Modules PB and GR.

Additional Conditions

AU-2.8.4

Licensees must comply with any other specific requirements or restrictions imposed by the CBB on the scope of their license.

AU-2.8.5

Licensees are subject to the provisions of the CBB Law. These include the right of the CBB to impose such terms and conditions, as it may deem necessary when issuing a license, as specified in Article 45 of the CBB Law. Thus, when granting a license, the CBB specifies the regulated ancillary services that the licensee may undertake. Licensees must respect the scope of their license.

AU-2.8.6

In addition, the CBB may impose additional restrictions or requirements, beyond those already specified in Volume 5, to address specific risks. For instance, a license may be granted subject to strict limitations on intra-group transactions.

MODULE	AU: Authorisation
CHAPTER	AU-3: Approved Persons

AU-3.1 Approved Persons Conditions

AU-3.1.1

Licensees seeking an approved person authorisation for an individual, must satisfy the CBB that the individual concerned is ‘fit and proper’ to undertake the controlled function in question.

AU-3.1.2

The authorisation requirements for persons nominated to carry out controlled functions is contained in Section AU-1.3. The authorisation process is described in Section AU-3.2.

AU-3.1.3

Each applicant applying for approved person status and those individuals occupying approved person positions must comply with the following conditions:

- (a) Has not previously been convicted of any felony or crime that relates to his/her honesty and/or integrity unless he/she has subsequently been restored to good standing;
- (b) Has not been the subject of any adverse finding in a civil action by any court or competent jurisdiction, relating to fraud;
- (c) Has not been adjudged bankrupt by a court unless a period of 10 years has passed, during which the person has been able to meet all his/her obligations and has achieved economic accomplishments;

- (e) Has not failed to satisfy a judgement debt under a court order resulting from a business relationship;
- (f) Must have personal integrity, good conduct and reputation;
- (g) Has appropriate professional and other qualifications for the controlled function in question; and
- (h) Has sufficient experience to perform the duties of the controlled function.

AU-3.1.4

In assessing the conditions prescribed in Rule AU-3.1.3, the CBB will take into account the criteria contained in Paragraph AU-3.1-5. The CBB reviews each application on a case-by-case basis, taking into account all relevant circumstances. A person may be considered ‘fit and proper’ to undertake one type of controlled function but not another, depending on the function’s job size and required levels of experience and expertise. Similarly, a person approved to undertake a controlled function in one licensee may not be considered to have sufficient expertise and experience to undertake nominally the same controlled function but in a much bigger licensee.

MODULE	AU: Authorisation
CHAPTER	AU-3: Approved Persons

AU-3.1.5 In assessing a person's fitness and propriety, the CBB will also consider previous professional and personal conduct (in Bahrain or elsewhere) including, but not limited to, the following:

- (i) The extent to which the person has been truthful and open with supervisors; and
- (j) Whether the person has ever entered into any arrangement with creditors in relation to the inability to pay due debts.

AU-3.1.6 With respect to Paragraph AU-3.1.5, the CBB will take into account the length of time since any such event occurred, as well as the seriousness of the matter in question.

MODULE	AU: Authorisation
CHAPTER	AU-3: Approved Persons

AU-3.1 Approved Persons Conditions (continued)

AU-3.1.7

Approved persons undertaking a controlled function must act prudently, and with honesty, integrity, care, skill and due diligence in the performance of their duties. They must avoid conflicts of interest arising whilst undertaking a controlled function.

AU-3.1.8

In determining where there may be a conflict of interest arising, factors that may be considered will include whether:

- (a) A person has breached any fiduciary obligations to the company or terms of employment;
- (b) A person has undertaken actions that would be difficult to defend, when looked at objectively, as being in the interest of the licensee; and
- (c) A person has failed to declare a personal interest that has a material impact in terms of the person's relationship with the licensee.

AU-3.1.9

Further guidance on the process for assessing a person's 'fit and proper' status is given in Module EN (Enforcement): see Chapter EN-8.

MODULE	AU: Authorisation
CHAPTER	AU-3: Approved Persons

AU-3.2 Approved Persons Requirements

AU-3.2.1

Licensees must obtain CBB prior written approval before a person is formally appointed to a controlled function. The request for CBB approval must be made by submitting to the CBB a duly completed Form 3 (Application for Approved Person status) and Curriculum Vitae after verifying that all the information contained in the Form 3, including previous experience, is accurate. Form 3 is available under Volume 5 Part B Authorisation Forms of the CBB Rulebook.

AU-3.2.2

When the request for approved person status forms part of a license application, the Form 3 must be marked for the attention of the Director, Licensing Directorate. When the submission to undertake a controlled function is in relation to an existing licensee, the Form 3, except if dealing with a MLRO, must be marked for the attention of the concerned supervisory point of contact at the CBB. In the case of the MLRO, Form 3 should be marked for the attention of the Director, Compliance Directorate.

AU-3.2.3

When submitting Form 3, licensees must ensure that the Form 3 is:

- (a) Submitted to the CBB with a covering letter signed by an authorised representative of the licensee, seeking approval for the proposed controlled function;
- (b) Submitted in original form;
- (c) Submitted with a certified copy of the applicant's passport, original or certified copies of educational and professional qualification certificates (and translation if not in Arabic or English) and the Curriculum Vitae; and
- (d) Signed by an authorised representative of the licensee and all pages stamped with the licensee's seal.

AU-3.2.4

Licensees seeking to appoint members of the board of directors must seek CBB approval for all the candidates to be put forward for election/approval at a shareholders' meeting, in advance of the agenda being issued to shareholders. CBB approval of the candidates does not in any way limit shareholders' rights to refuse those put forward for election/approval.

MODULE	AU: Authorisation
CHAPTER	AU-3: Approved Persons

AU-3.2 Approved Persons Requirements (continued)

AU-3.2.5 For existing licensees applying for the appointment of any controlled functions, the authorised representative should be a duly authorised representative of the licensee and must submit with Form 3: Application for Approved Person Status, internal documentary evidence supporting the appointment of the duly authorised representative of the licensee.

Assessment of Application

AU-3.2.6 The CBB shall review and assess the application for approved person status to ensure that it satisfies all the conditions required in Paragraph AU-3.1.3 and the criteria outlined in Paragraph AU-3.1.5.

AU-3.2.7 For purposes of Paragraph AU-3.2.6, licensees should give the CBB a reasonable amount of notice in order for an application to be reviewed. The CBB shall respond within 15 business days from the date of meeting all regulatory requirements, including but not limited to receiving the application complete with all the required information and documents, as well as verifying references.

AU-3.2.8 The CBB reserves the right to refuse an application for approved person status if it does not satisfy the conditions provided for in Paragraph AU-3.1.3 and does not satisfy the CBB criteria in Paragraph AU-3.1.5. A notice of such refusal is issued by registered mail to the licensee concerned, setting out the basis for the decision.

Appeal Process

AU-3.2.9 Licensees or the nominated approved persons may, within 30 calendar days of the notification, appeal against the CBB's decision to refuse the application for approved person status. The CBB shall decide on the appeal and notify the licensee of its decision within 30 calendar days from submitting the appeal.

AU-3.2.10 Where notification of the CBB's decision to grant a person approved person status is not issued within 15 business days from the date of meeting all regulatory requirements, including but not limited to, receiving the application complete with all the required information and documents, licensees or the nominated approved persons may appeal to the concerned Executive Director of the CBB provided that the appeal is justified with supporting documents. The CBB shall decide on the appeal and notify the licensee of its decision within 30 calendar days from the date of submitting the appeal.

MODULE	AU:	Authorisation
CHAPTER	AU-3:	Approved Persons

AU-3.2 Approved Persons Requirements (continued)

Notification Requirements and Process

AU-3.2.11

Licensees must immediately notify the CBB when an approved person ceases to hold a controlled function together with an explanation as to the reasons why (see Paragraph AU-4.4.9). In such cases, their approved person status is automatically withdrawn by the CBB.

AU-3.2.12

Licensees must immediately notify the CBB in case of any material change to the information provided in a Form 3 submitted for an approved person.

AU-3.2.13

Licensees must immediately notify the CBB when they become aware of any of the events listed in Paragraph EN-8.2.3, affecting one of their approved persons.

Change in Controlled Function

AU-3.2.14

Licensees must seek prior CBB approval before an approved person may move from one controlled function to another within the same licensee.

AU-3.2.15

In such instances, a new Form 3 (Application for Approved Person status) should be completed and submitted to the CBB. Note that a person may be considered 'fit and proper' for one controlled function, but not for another, if for instance the new role requires a different set of skills and experience. Where an approved person is moving to a controlled function in another licensee, the first licensee should notify the CBB of that person's departure (see Rule AU-4.4.9), and the new licensee should submit a request for approval under Rule AU-1.3.1.

MODULE	AU: Authorisation
CHAPTER	AU-4: Information Requirements and Processes

AU-4.1 Licensing

Application Form and Documents

AU-4.1.1

Applicants for a license must fill in the Application Form 1 (Application for a License) online, available on the CBB website under E-services/online Forms. The applicant must upload scanned copies of supporting documents listed in Paragraph AU-4.1.4, unless otherwise directed by the CBB.

AU-4.1.2

Articles 44 to 47 of the CBB Law govern the licensing process. This prescribes a single stage process, with the CBB required to take a decision within 60 calendar days of an application being deemed complete (i.e. containing all required information and documents). See below, for further details on the licensing process and timelines.

AU-4.1.3

References to applicant mean the proposed licensee seeking authorisation. An applicant may appoint a representative – such as a law firm or professional consultancy – to prepare and submit the application. However, the applicant retains full responsibility for the accuracy and completeness of the application, and is required to certify the application form accordingly. The CBB also expects to be able to liaise directly with the applicant during the authorisation process, when seeking clarification of any issues.

AU-4.1.4

Unless otherwise directed by the CBB, the following documents must be provided together with the covering letter referred in Paragraph AU-4.1.1 above in support of a license application:

- (a) A duly completed Form 2 (Application for Authorisation of Controller) for each controller of the proposed licensee;
- (b) A duly completed Form 3 (Application for Approved Person status), for each individual proposed to undertake controlled functions (as defined in Rule AU-1.2.2) in the proposed licensee;
- (c) A comprehensive business plan for the application, addressing the matters described in AU-4.1.6;
- (d) Where the applicant is an existing institution, a copy of the applicant's commercial registration;
- (e) Where the applicant is a corporate body, a certified copy of a Board resolution of the applicant along with minutes of the concerned meeting, confirming the board's decision to seek a CBB ancillary service provider license;

MODULE	AU: Authorisation
CHAPTER	AU-4: Information Requirements and Processes

AU-4.1 Licensing (continued)

- (f) In the case of applicants that are part of a regulated group, a letter of non-objection to the proposed license application from the applicant's home supervisor, together with confirmation that the group is in good regulatory standing and is in compliance with applicable supervisory requirements, including those relating to capital adequacy and solvency requirements;
- (g) Copies of the audited financial statements of the applicant's major shareholder and/or group (as directed by the CBB), for the three years immediately prior to the date of application;
- (h) A draft copy of the applicant's (and parent's where applicable) memorandum and articles of association, addressing the matters described in AU-4.1.7; and
- (i) Evidence of competency and qualifications for Shari'a advisor.

AU-4.1.5 The CBB may require that an acceptably worded letter of guarantee be provided in support of the application for a license. Where the application for the license is for an incorporated entity, the CBB may seek a letter of guarantee from controllers. Where the application is for an overseas licensee, the CBB may seek a letter of guarantee from the parent company.

AU-4.1.6 The business plan submitted in support of an application should include:

- (a) An outline of the history of the applicant and its shareholders;
- (b) The reasons for applying for a license, including the applicant's strategy and market objectives;
- (c) The proposed type of activities to be carried on by the applicant in/from the Kingdom of Bahrain;
- (d) The proposed Board and senior management of the applicant and the proposed organisational structure of the applicant;
- (e) An independent assessment of the risks that may be faced by the applicant, together with the proposed systems and controls framework to be put in place for addressing those risks and to be used for the main business functions. For card processing and payment services providers, IT security measures must be outlined in the plan;
- (f) An opening balance sheet for the applicant, together with a three-year financial projection, with all assumptions clearly outlined, demonstrating that the applicant will be able to meet applicable leverage and liquidity requirements; and
- (g) For TPA's, details setting forth the applicant's capability for providing a sufficient number of experienced and qualified personnel in the areas of claims' processing and recordkeeping.

MODULE	AU: Authorisation
CHAPTER	AU-4: Information Requirements and Processes

AU-4.1 Licensing (continued)

AU-4.1.7

The applicant's (and where applicable, its parent's) memorandum and articles of association must explicitly provide for it to undertake the activities proposed in the licensed application, and must preclude the applicant from undertaking other commercial activities, unless these arise out of its activities or are incidental to those.

AU-4.1.8

All documentation provided to the CBB as part of an application for a license must be in either Arabic or English language. Any documentation in a language other than English or Arabic must be accompanied by a certified English or Arabic translation thereof.

AU-4.1.9

Any material changes or proposed changes to the information provided to the CBB in support of an authorisation application that occurs prior to authorisation must be reported to the CBB.

AU-4.1.10

Failure to inform the CBB of the changes specified in AU-4.1.9 is likely to be viewed as a failure to provide full and open disclosure of information, and thus a failure to meet licensing condition AU-2.8.2.

Licensing Process and Timelines

AU-4.1.11

As part of the application process, the CBB will provide a formal decision on a license application within 60 calendar days of all required documentation having been submitted in a form acceptable to the CBB, as specified in Article 44 (e) of the CBB Law. The applicant must submit within 6 months of the application date, all remaining requirements or otherwise has to submit a new application to the CBB. Applicants are encouraged to approach the CBB to discuss their application at an early stage, so that any specific questions can be dealt with prior to the finalisation of the application.

AU-4.1.12

Before the final approval is granted to a licensee, confirmation from a retail bank addressed to the CBB that the licensee's capital (injected funds) – as specified in the business plan submitted under Rule AU-4.1.4 – has been paid in must be provided to the CBB. In addition, for payment services providers and card processing companies, a bank guarantee of BD50,000 must be provided.

AU-4.1 Licensing (continued)

Granting or Refusal of a License

AU-4.1.13 To be granted a license, an applicant **should** demonstrate compliance with the applicable requirements of the CBB Law and this Module. Should a license be granted, the CBB will notify the applicant in writing of the fact; the CBB will also publish its decision to grant a license in the Official Gazette and in two local newspapers (one published in Arabic, the other in English). The license may be subject to such terms and conditions as the CBB deems necessary for the additional conditions being met.

AU-4.1.14 The CBB may refuse to grant a license if in its opinion:

- The requirements of the CBB Law or this Module are not met;
- False or misleading information has been provided to the CBB, or information which should have been provided to the CBB has not been so provided; or
- The CBB believes it necessary in order to safeguard the interests of potential customers.

AU-4.1.15 Where the CBB proposes to refuse an application for a license, it **will** give the applicant **a** written notice to that effect. Applicants will be given a minimum of 30 calendar days from the date of the written notice to appeal the decision, as per the appeal procedures specified in the notice; these procedures will comply with the provisions contained in Article 46 of the CBB Law.

Starting Operations

AU-4.1.16 Within 6 months of the license being issued, the new licensee must provide to the CBB:

- A detailed action plan for establishing the operations and supporting infrastructure of the licensee, such as the completion of written policies and procedures, and recruitment of remaining employees (having regard to the time limit set by Article 48 (c) of the CBB Law);
- The registered office address and details of premises to be used to carry out the business of the proposed licensee;
- The address in the Kingdom of Bahrain where full business records will be kept;

AU-4.4 Cancellation of Authorisation

Licenses

Voluntary Surrender

AU-4.4.1

According to Article 50 of the CBB Law, all requests for the voluntary surrender of a license are subject to CBB approval. Such requests must be made in writing and must set out in full the reasons for the request and how the voluntary surrender is to be carried out. Requests must be addressed to the concerned Executive Director at the CBB.

AU-4.4.2

Licenses must satisfy the CBB that their customers' interests are to be safeguarded during and after the proposed voluntary surrender. The requirements contained in Chapter GR-9 regarding cessation of business must be satisfied.

AU-4.4.3

Failure to comply with Rule AU-4.4.1 may constitute a breach of Article 50(a) of the CBB Law. The CBB will only approve a voluntary surrender where it has no outstanding regulatory concerns and any relevant customers' interests would not be prejudiced. A voluntary surrender will not be accepted where it is aimed at preempting supervisory actions by the CBB. Also, a voluntary surrender will only take effect once the licensee, in the opinion of the CBB, has discharged all its regulatory responsibilities to customers.

AU-4.4.4

In accordance with Articles 50(a) and 51(a) of the CBB Law, a licensee wishing to cancel an authorisation for a service or a branch must obtain the CBB's prior written approval. The requirements contained in Chapter GR-9 regarding cessation of business must be satisfied.

Cancellation

AU-4.4.5

As provided for under Article 48 of the CBB Law, the CBB may itself move to cancel a license, should the licensee fail to meet the conditions outlined in Paragraph AU-4.2.4.

AU-4.4.6

Cancellation of a license requires the CBB to issue a formal notice of cancellation to the person concerned. The notice of cancellation describes the CBB's rationale for the proposed cancellation, as specified in Article 48(d) of the CBB Law.

MODULE	AU: Authorisation
CHAPTER	AU-4: Information Requirements and Processes

AU-4.4 Cancellation of Authorisation (continued)

AU-4.4.7 The CBB generally views cancellation of a license as appropriate only in the most serious of circumstances, and generally tries to address supervisory concerns through other means beforehand. Further guidance is contained in Module EN (Enforcement), regarding CBB’s approach to enforcement and on the process for issuing a notice of cancellation and the recipient’s right to appeal the notice.

AU-4.4.8 Normally, where cancellation of a license has been confirmed by the CBB, the CBB will only effect the cancellation once a licensee has discharged all its regulatory responsibilities to customers. Until such time, the CBB will retain all its regulatory powers with regards to the licensee, and will direct the licensee such that no new regulated activity may be undertaken whilst the licensee discharges its obligations to customers.

Cancellation of Approved Person Status

AU-4.4.9 In accordance with Paragraph AU-4.3.11, licensees must promptly notify the CBB in writing when a person undertaking a controlled function will no longer be carrying out that function. If a controlled function falls vacant, the licensee must appoint a permanent replacement (after obtaining CBB approval), within 120 calendar days of the vacancy occurring. Pending the appointment of a permanent replacement, the licensee must make immediate interim arrangements to ensure continuity of the duties and responsibilities of the controlled function affected. These interim arrangements must be approved by the CBB.

AU-4.4.10 The explanation given for any such changes should simply identify if the planned move was prompted by any concerns over the person concerned, or is due to a routine staff change, retirement or similar reason.

AU-4.4.11 The CBB may also move to declare someone as not ‘fit and proper’, in response to significant compliance failures or other improper behaviour by that person: see Chapter EN-8 regarding the cancellation of ‘fit and proper’ approval.

AU-4.5 Publication of the Decision to Grant, Cancel or Amend a License

AU-4.5.1 In accordance with Articles 47 and 49 of the CBB Law, the CBB will publish its decision to grant, cancel or amend a license in the Official Gazette and in two local newspapers, one in Arabic and the other in English.

AU-4.5.2 For the purposes of Paragraph AU-4.5.1, the cost of publication must be borne by the Licensee.

AU-4.5.3 The CBB may also publish its decision on such cancellation or amendment using any other means it considers appropriate, including electronic means.
