MIR-3.1.2

<u>Controlled functions</u> are those functions occupied by board members and persons in executive positions and include:

MIR-3.1.2B Whether a person is a head of function will depend on the nature, scale and complexity of the function and is not determined by the presence or absence of the word in their job title.

MIR-3.1.3

The licensed <u>member</u> must maintain adequate segregation of responsibilities in their staffing arrangements, to protect against the misuse of systems or errors. The segregation of responsibilities must also ensure avoidance of any conflict of interest and maintain a Chinese Wall between such critical controlled functions.

Fit and Proper Requirements

MIR-3.1.4

<u>Licensees</u> seeking an <u>approved person</u> authorisation for an individual, must satisfy the CBB that the individual concerned is 'fit and proper' to undertake the <u>controlled function</u> in question.

## MIR-3.3 Fit and Proper (continued)

MIR-3.3.1B In assessing the conditions prescribed in Rule MIR-3.3.1A, the CBB will take into account the criteria contained in Paragraph MAE-3.3.1C. The CBB reviews each application on a case-by-case basis, taking into account all relevant circumstances. A person may be considered 'fit and proper' to undertake one type of controlled function but not another, depending on the function's job size and required levels of experience and expertise. Similarly, a person approved to undertake a controlled function in one member may not be considered to have sufficient expertise and experience to undertake nominally the same controlled function but in a much bigger member.

MIR-3.3.1C In assessing a person's fitness and propriety, the CBB will also consider previous professional and personal conduct (in Bahrain or elsewhere) including, but not limited to, the following:

- (a) The propriety of a person's conduct, whether or not such conduct resulted in a criminal offence being committed, the contravention of a law or regulation, or the institution of legal or disciplinary proceedings;
- (b) A conviction or finding of guilt in respect of any offence, other than a minor traffic offence, by any court or competent jurisdiction;
- (c) Any adverse finding in a civil action by any court or competent jurisdiction, relating to misfeasance or other misconduct in connection with the formation or management of a corporation or partnership;
- (d) Whether the person, or any body corporate, partnership or unincorporated institution to which the applicant has, or has been associated with as a director, controller, manager or company secretary been the subject of any disciplinary proceeding, investigation or fines by any government authority, regulatory agency or professional body or association;
- (e) The contravention of any financial services legislation;
- (f) Whether the person has ever been refused a license, authorisation, registration or other authority;
- (g) Dismissal or a request to resign from any office or employment;
- (h) Whether the person has been a Director, partner or manager of a corporation or partnership which has gone into liquidation or administration or where one or more partners have been declared bankrupt whilst the person was connected with that partnership;
- (i) The extent to which the person has been truthful and open with supervisors;
- (j) Whether the person has ever entered into any arrangement with creditors in relation to the inability to pay due debts.
- MIR-3.3.1 D With respect to Paragraph MIR-3.3.1C, the CBB will take into account the length of time since any such event occurred, as well as the seriousness of the matter in question.

Approved persons undertaking a controlled function must act prudently, and with honesty, integrity, care, skill and due diligence in the performance of their duties. They must avoid any conflict of interest arising whilst undertaking a controlled function and shall be subject, among all accepted market conducts, to the insider trading rules.

- MIR-3.3.3 In determining where there may be a conflict of interest arising, factors that may be considered will include whether:
  - (a) A <u>person</u> has breached any fiduciary obligations to the <u>member</u> or terms of employment;
  - (b) A <u>person</u> has undertaken actions that would be difficult to defend, when looked at objectively, as being in the interest of the licensed <u>member</u> and its <u>clients</u>; and

MIR-3.4.4

Members seeking to appoint Board Directors must seek CBB approval for all the candidates to be put forward for election/approval at a shareholders' meeting, in advance of the agenda being issued to shareholders. CBB approval of the candidates does not in any way limit shareholders' rights to refuse those put forward for election/approval.

## Assessment of Application

- MIR-3.4.4A The CBB shall review and assess the application for <u>approved person</u> status to ensure that it satisfies all the conditions required in Paragraph MIR-3.3.1A and the criteria outlined in Paragraph MIR-3.3.1C.
- MIE-3.4.4B For purposes of Paragraph MIR-3.4.4A, <u>members</u> should give the CBB a reasonable amount of notice in order for an application to be reviewed. The CBB shall respond within 15 business days from the date of meeting all required conditions and regulatory requirements, including but not limited to, receiving the application complete with all the required information and documents, as well as verifying references.
- MIR-3.4.5 The CBB reserves the right to refuse an application for approved person status if it does not satisfy the conditions provided for in Paragraph MIR-3.3.1A and the criteria outlined in Paragraph MIR-3.3.1C. A notice of such refusal is issued by registered mail to the <u>member</u> concerned, setting out the basis for the decision.

## Appeal Process

- MIR-3.4.6 <u>Members</u> or the nominated <u>approved persons</u> may, within 30 calendar days of the notification, appeal against the CBB's decision to refuse the application for <u>approved person</u> status. MIR-3.5.1

A licensed <u>member</u> must seek prior CBB approval before an <u>approved</u> <u>person</u> may move from one <u>controlled function</u> to another within the same member.

In such instances, a new application should be completed and submitted to the CBB. Note that a <u>person</u> may be considered 'fit and proper' for one <u>controlled function</u>, but not for another, if for instance the new role requires a different set of skills and experience.
